- Territory of India under **Article 1(3)** comprises **States, Union Territories**, and such other territories as may be **acquired** (e.g., Puducherry, Goa (गोवा) initially).
- Article 2 vs Article 3:** Art 2 allows Parliament to **admit or establish new** States (foreign territory, e.g., Sikkim). Art 3 allows forming/altering *existing* States (boundary/name changes).
- Article 4:** Laws under Art 2 & 3 amend the First and Fourth Schedules by a **simple majority**; they are **not** constitutional amendments under **Article 368** (अनुच्छेद 368).
- Article 3 Procedure (प्रक्रिया):** Bill needs prior **President’s recommendation**. The concerned State Legislature’s views are sought but are **not binding**. The State Legislature **cannot** itself change its name.
- Acquisition vs Cession:** Acquisition requires ordinary law. **Cession** of Indian territory requires a **Constitutional Amendment** (*Berubari Union* case, 1960).
- Cession Amendments:** 9th Amendment (9वाँ संशोधन) (1960) ceded Berubari to Pakistan. 100th Amendment (2015) executed India–Bangladesh Land Boundary Agreement (exchange of 162 enclaves).
- Dhar Commission (June 1948)** and **JVP Committee (Dec 1948)** both purely **rejected** immediate linguistic reorganisation, prioritizing national unity.
- Andhra State:** Formed on **1 Oct 1953** following Potti Sriramulu’s fast unto death. It was the **first linguistic State**. First capital was **Kurnool** (not Hyderabad (हैदराबाद)).
- States Reorganisation Commission (SRC (आयोग), 1953):** Chaired by **Justice Fazl Ali**, with **K.M. Panikkar** and **H.N. Kunzru**. (K.T. Shah and P. Sitaramayya were *not* members).

- Formation Chronology:** Gujarat (1960), Nagaland (1963), Haryana (1966), Himachal (हिमाचल) (1971), Manipur/Tripura/Meghalaya (मेघालय) (1972), Sikkim (1975).

- Citizenship Act, 1955:** Provides 5 modes of **acquisition** (Birth, Descent, Registration, Naturalisation, Territory Incorporation) and 3 of **loss** (Renunciation, Termination, Deprivation).
- Dual Citizenship:** Strictly **not allowed**. Voluntary acquisition of foreign citizenship results in automatic **termination** (**Article 9**).
- Deprivation:** A compulsory Central order against **registered/naturalised** citizens (for fraud, disloyalty, or 7-year overseas residence). Birth citizens cannot be ‘deprived’.
- Birth-citizenship evolution:** Birth plus: -> 1987 (one parent must be Indian) -> **3 Dec 2004** (both parents citizens, or one citizen & other not an *illegal migrant*).

Living list includes Andaman & Nicobar, Lakshadweep, Dadra & Nagar Haveli and Daman & Diu, and **Puducherry** when its Assembly is not functioning. **Goa is a State** — not on the Art. 240 list.
- Article 241** enables a High Court for a Union Territory; Parliament may also place a UT under a neighbouring State’s High Court (e.g. Chandigarh with Punjab & Haryana HC).

- 4. **Article 14** (equality before law / equal protection) covers **any person**. **Article 16** (equality of opportunity in public employment) covers **citizens only**.
- 5. Reservation / special-provision facts: **15(4)** is the first explicit special provision; **15(5)** is the **93rd**; **15(6) / 16(6)** are the **103rd** (EWS). Promotion facts include **16(4A) (77th)** and **16(4B) (81st / related 85th teaching)**.
- 6. **Article 17** abolishes **untouchability** (absolute (निरपेक्ष) equality fact). **Article 18** bans titles; national awards such as **Bharat Ratna** (भारत रत्न) are **not** “titles” in that sense.
- 7. **Article 19** gives **six** freedoms to **citizens**. The old property freedom **19(1)(f)** was deleted by the **44th Amendment** (44वाँ संशोधन); property now sits as a **legal right** under **Article 300A**.
- 8. The six freedoms are speech and expression, assembly, association (cooperatives reinforced by the **97th**), movement, residence, and profession — each with reasonable restrictions under **19(2)–(6)**.
- 9. **Article 20** protects **all persons** against ex post facto criminal law, double jeopardy, and self-incrimination. Torture and privacy questions are **not** solved only by Article 20.
- 10. **Article 21** (अनुच्छेद 21) protects life and personal liberty for **all persons**. After *Maneka Gandhi (गंधी)*, procedure (प्रक्रिया) must be **fair, just and reasonable**. **Privacy** was treated as a Fundamental Right in *Puttaswamy* (2017).
- 11. **Article 21A** (Right to Education) covers free and compulsory education for ages **6–14**, inserted by the **86th Amendment**. Do not stretch 21A to every age group.
- 12. **Article 22**: ordinary arrest needs production before a magistrate within **24 hours**. Preventive detention has a separate code (Advisory Board and three-month rhythm in the usual teaching).
- 13. **Articles 23–24** are rights against **exploitation** (begar (बेगार), trafficking, child labour under 14 in hazardous work). Do not park untouchability here — that is **Article 17** under equality.
- 14. Religion cluster **25–28**: **25** includes the right to **propagate**; **26** is to manage religious affairs; **27** bars a **tax** for promotion of a religion (a regulatory **fee** is different); **28** covers religious instruction in certain institutions.
- 15. **Article 29** protects culture of **any section** of citizens. **Article 30** protects **minorities’** right to establish and administer educational institutions. “Minority” is not exhaustively defined in the text (*T.M.A. Pai* line).
- 16. **Article 32** (अनुच्छेद 32) is the Supreme Court writ remedy for **Fundamental Rights only** — Ambedkar (अम्बेडकर)’s “heart and soul.” **Article 226** is **wider**: Fundamental Rights **plus** other legal rights.
- 17. Five writs (पाँच प्रकार की रिटें): **Habeas Corpus** (बन्दी प्रत्यक्षीकरण), **Mandamus** (परमादेश), **Prohibition** (प्रतिषेध), **Certiorari** (उत्प्रेषण), **Quo Warranto** (अधिकार-पृच्छा). **Prohibition** comes **before** the decision; **Certiorari** comes **after** to quash. Mandamus does **not** run against the President or a Governor in the usual fact.
- 18. High Court Habeas Corpus can reach even a **private** person in the classic teaching. Quo Warranto tests illegal occupation of a **public office**.
- 19. Under a National Emergency (राष्ट्रीय आपात), **Article 358** automatically suspends **Article 19** freedoms (subject to later refinements). **Article 359** can suspend enforcement of other rights by order, but **Articles 20 and 21** cannot be suspended.
- 20. **DPSP** (राज्य के नीति निर्देशक तत्व) sit in **Part IV (नीति निर्देशक) (Articles 36–51)**, borrowed in form from **Ireland**, and are **non-justiciable** (**Article 37**) though fundamental in governance.
- 21. High-yield DPSP map: **39A** legal aid; **40** village panchayats; **43A** workers’ participation; **43B** cooperatives (**97th**); **44** Uniform Civil Code; **45** early childhood care (under-6 after 86th shift); **48A** environment (पर्यावरण); **50** separation of judiciary; **51** international peace.
- 22. Do not swap **43A** (workers) with **43B** (cooperatives), or **48** (cattle / agriculture) with **50** (separation of judiciary).
- 23. **Fundamental Duties** (मौलिक कर्तव्य) sit in **Part IVA, Article 51A**, added by the **42nd Amendment (1976)** — originally **10**, raised to **11** by the **86th (51A(k))** education of child). Duties bind **citizens**.
- 24. **Article 51A(g)** (protect environment) pairs with DPSP **48A** — same idea in two Parts.
- 25. Fundamental Rights are justiciable (USA-style Bill of Rights form); DPSP are non-justiciable (Ireland-style directives). Conflict cases later balanced them without erasing either Part.
- 26. **Article 13** voids inconsistent laws. Constitutional amendments sit outside via **13(4)** after the **24th Amendment**. Doctrines: eclipse, severability, and generally **no waiver** of Fundamental Rights.
- 27. Exceptions to equality include **Article 361** immunities of the President and Governors — Article 14 does not apply fully to those official-act shields.
- 28. S. Radhakrishnan’s Constituent Assembly (संविधान सभा) line: Fundamental Rights are “a **pledge** to our people and a **pact** with the civilized world.”
- 29. Some rights (notably **17, 23, 24**) also bind private persons; most Part III rights primarily bind the **State** under Article 12.
- 30. Property is **not** a Fundamental Right after the 44th; it is a **constitutional legal right** under **300A** — State can deprive only by authority of law.
- 31. **Articles 31A, 31B and 31C** save certain laws from Fundamental Rights attack: **31B** works with the **Ninth Schedule** (1st Amendment, 1951); **31C** protects laws giving effect to Articles **39(b)/(c)**. The **42nd** tried to stretch 31C to **all** DPSPs; *Minerva Mills* struck that stretch and kept the FR–DPSP balance as Basic Structure.
- 32. **Articles 33–35** let Parliament restrict or modify Fundamental Rights for the armed forces and similar forces (**33**), allow indemnity related to martial law (**34**), and reserve certain Part III powers exclusively to Parliament (**35**).

- 2. India follows a parliamentary system: the **President** is the **nominal / de jure** head; the **real / de facto** executive is the **Council of Ministers headed by the Prime Minister**.
- 3. **Article 53** vests executive power of the Union in the **President**, exercised in practice on the **aid and advice** of the Council of Ministers under **Article 74**.
- 4. The President is elected **indirectly** by an Electoral College of **elected** MPs of both Houses, **elected** MLAs of the States, and **elected** MLAs of **Delhi and Puducherry (70th Amendment)**.

- 7. Presidential qualifications (**Article 58**): citizen, completed **35 years**, and qualified for election to the **Lok Sabha** (लोकसभा) (not Rajya Sabha). Oath is before the **Chief Justice of India**.
- 8. Term is **five years**; re-election is allowed any number of times. A vacancy by death, resignation or removal must be filled within **six months**; the Vice-President acts until then.
- 9. Impeachment under **Article 61** is for **violation of the Constitution**. Nominated MPs **can** vote in impeachment; **State MLAs do not**. No President has ever been impeached.
- 10. Veto types in India: **absolute, suspensive, and pocket** (no fixed time limit). There is **no qualified veto** of the USA type.
- 11. On a **Money Bill**, the President may only **assent or withhold** — he **cannot return** it for reconsideration. After the **24th Amendment**, he **must assent** to a Constitution Amendment Bill.
- 12. **Article 72** (President) covers Union offences, court-martial sentences, and **death sentences**. **Article 161** (Governor) does **not** cover death sentence or court-martial.

- 14. The Vice-President is **ex-officio Chairman of the Rajya Sabha** but is **not a member** of the House. Removal under **Article 67** starts in the Rajya Sabha (effective majority) and needs Lok Sabha agreement, with **14 days’** notice — not a full “impeachment” label.
- 15. Vice-President’s Electoral College is **both Houses of Parliament**, including **nominated** members; **State legislatures do not** take part.
- 16. **Article 74** aid and advice is **binding** on the President (42nd (42वाँ) / 44th (44वाँ संशोधन) line). **Article 78** is the Prime Minister’s duty to communicate information to the President.

- 20. The **CAG (Articles 148–151)** is appointed by the President for **six years or age 65**, removed **like a Supreme Court judge** (not pleasure tenure), and is barred from further Union or State office. Union reports go to the **President** then Parliament; State reports go to the **Governor**. Contrast: **AG = pleasure; CAG = SC-judge security**.
- 21. The **Warrant / Table of Precedence (1979)** is **ceremonial only**. It is **not** the constitutional line of succession.
- 22. Precedence ranks to fact: **1** President, **2** Vice-President, **3** Prime Minister, **4** Governors (within their State), **5** former Presidents, **6** CJI = Speaker, **7** Cabinet Ministers / CMs (in State) / former PMs / Leaders of Opposition, **11** Attorney General.
- 23. Do not place the Speaker below Cabinet Ministers: Speaker shares **rank 6** with the CJI; Cabinet Ministers are **rank 7**. AG at **11** does **not** outrank Cabinet Ministers.
- 24. **CEC / CAG (भारत के नियंत्रक-महालेखापरीक्षक) / UPSC (संघ लोक सेवा आयोग) Chair** sit at **9A**; Supreme Court judges sit at **9** — do not swap those bands.

Topic 8 — State Government

Consolidated — 28 Must-Score Facts

1. **Part VI** covers the State Executive: **Governor + Chief Minister + Council of Ministers + Advocate General**. The Governor is the **nominal** head; the CoM headed by the CM is the **real** executive.
2. **Article 153** creates the office of Governor. The **7th Amendment** proviso allows the **same person** to be Governor of **two or more States**.
3. **Article 155** is **appointment** by the President — **not** removal. Removal / tenure sits under **Article 156** (five-year outer term during the **pleasure of the President**; no impeachment).
4. Qualifications (**Article 157**): citizen and completed **35 years**. Oath (**Article 159**) is before the **Chief Justice of the High Court**.
5. **Article 154** vests State executive power in the Governor. **Article 162** only states the **extent** of that power — do not call 162 the vesting article.
6. **Article 163**: the Governor acts on CoM aid and advice **except** where the Constitution gives **discretion**. Dual role: constitutional head of the State and the Centre's agent.
7. Classic discretionary situations: choosing a CM in a hung House (त्रिशंकु सदन); dismissing a CoM that has lost the House; dissolving the Assembly; reserving a Bill under **Article 200**; recommending **Article 356** (अनुच्छेद 356); and certain **Article 371** special responsibilities.
8. **Bommai** fact: majority is tested on the **House floor**, not in Raj Bhavan by private claim alone.
9. **Article 161** pardoning power of the Governor does **not** cover **death sentence** or **court-martial** — those stay with the President under **Article 72**.
10. Under **Article 200** the Governor may assent, withhold assent, return a non-Money Bill, or **reserve** the Bill for the President. A Bill that cuts High Court powers **must** be reserved.
11. Under **Article 201**, if a reserved Bill is returned and the State re-passes it, the **President is still not bound** to assent — unlike the Governor's position after re-passage under Article 200.
12. **Article 213** ordinances: House(s) not in session (पेगु सत्र); same **six-week** reassembly rhythm as at the Centre. In listed cases the Governor needs the **President's instructions** before promulgating.
13. The Chief Minister is appointed by the Governor (**Article 164**) and has a communication duty under **Article 167** (parallel to the PM's Article 78).
14. State Council of Ministers: collective responsibility to the **Legislative Assembly only**. Size under the **91st Amendment**: maximum **15% of the Assembly**, with a floor of **12** ministers including the CM.
15. The **Advocate General** (महाधिवक्ता) (**Article 165**) needs High Court judge qualifications, holds office during the **pleasure of the Governor**, and may speak in both Houses but **cannot vote**.
16. Legislative Assembly: maximum **500**, minimum **60**; term **five years**. **Uttar Pradesh** (उत्तर प्रदेश) Assembly strength is **403**. Quorum (गणपूर्ति) is **10 members or one-tenth**, whichever is greater.
17. MLA disqualification under **Article 191** is decided by the **Governor on binding Election Commission** (निर्वाचन आयोग) advice (**Article 192**), except the anti-defection track handled by the Speaker.
18. Legislative Council under **Article 171**: maximum **one-third of the Assembly**, minimum **40**. Members' term is **six years** with one-third retiring; the Council is **never dissolved**, but it **can be abolished**.
19. Creation or abolition of a Council uses **Article 169**: the Assembly passes a resolution by **special majority**, then Parliament acts by **simple majority** — this is **not** an Article 368 (अनुच्छेद 368) amendment.
20. Council composition mix to fact: about **1/3** local bodies, **1/12** graduates, **1/12** teachers, **1/3** MLAs, **1/6** nominated (including co-operatives in the teaching list).
21. There is **no joint sitting** (संयुक्त बैठक) in a State legislature. Deadlocks follow **Article 197** — the **Assembly prevails**. A Bill that **originates in the Council** and is **rejected by the Assembly** dies.
22. Bicameral States now: **Andhra Pradesh, Bihar, Karnataka, Maharashtra, Telangana, and Uttar Pradesh**. UP Council strength is **100**.
23. A minister for **tribal** (आदिवासी) welfare is **compulsory** in **Chhattisgarh, Jharkhand, Madhya Pradesh and Odisha** (**Article 164**).
24. **State PSC** members are **appointed by the Governor** but **removed by the President** (after Supreme Court enquiry) — classic appointment/removal swap trap.
25. The Governor is a **constituent part of the State legislature** (**Article 168**), just as the President is of Parliament, even though he sits in neither House.
26. The office is on the **Canada** model (appointed by the Centre), **not** the USA model of elected governors. The Constituent Assembly (संविधान सभा) dropped an elected Governor.
27. The CM need not be from the Assembly alone: a Council member can be CM, and a non-member may be CM for up to **six months** while getting elected.
28. Sarkaria (सरकारिया आयोग) conventions (outsider, detached from active politics, consult CM) are political expectations, often broken; Punchhi (पुंछी आयोग)'s fixed-tenure / impeachment-like removal idea was **not implemented**.

Topic 9 — Judiciary

Consolidated — 30 Must-Score Facts

1. India's judiciary is **integrated** (one hierarchy from district courts to the Supreme Court) and **independent** (separate from the executive and legislature). The United States uses a **dual** court system; India does not.
2. The Supreme Court was inaugurated on **28 January 1950**. Its first Chief Justice was **H.J. Kania**. The Federal Court under the Government of India Act, 1935 had begun on **1 October 1937**.

4. An SC judge resigns to the **President** and takes oath before the **President**. Qualification is citizen plus **5 years** as High Court judge, or **10 years** as High Court advocate, or a **distinguished jurist**. The jurist route exists for the **Supreme Court only**, not for High Courts.
5. Collegium is **judge-made**, not written in the Constitution. **First Judges Case (प्रथम) (1981)** gave the executive primacy. **Second Judges Case (द्वितीय न्यायाधीश) (1993)** created the Collegium (CJI plus two). **Third Judges Case (1998)** fixed **CJI plus four (चातुर्थी)** for Supreme Court appointments and **CJI plus two** for High Court appointments.
6. The **99th Amendment** created the **NJAC** (six members: CJI, two senior SC judges, Law Minister, two eminent persons). The Supreme Court struck it down in **2015**. Any **two** NJAC members could have vetoed a name.
7. Removal of an SC judge needs a motion by **100 Lok Sabha (लोकसभा)** or **50 Rajya Sabha (राज्यसभा)** members, a three-member inquiry under the **1968 Act**, then a **special majority in both Houses in the same session (पंगु सत्र)**. No judge has ever been fully removed; **V. Ramaswami** (1993) failed in the Lok Sabha and **Soumitra Sen** (2011) resigned after the Rajya Sabha passed the motion.
8. **Article 129** makes the Supreme Court a **court of record**. **Article 141** makes its law binding on all courts. **Article 142** allows complete justice and is available to the **Supreme Court only**, not High Courts. A Constitution Bench under **145(3)** needs at least **five** judges.
9. **Article 131** is the Supreme Court's **exclusive original** jurisdiction in federal disputes between the Union and States or among States. It does **not** cover Fundamental Rights (मौलिक अधिकार), private parties, or river-water disputes where Parliament has barred the Court.
10. Disputes over **President or Vice-President elections** go to the Supreme Court under **Article 71**, not Article 131. River-water disputes fall under **Article 262**; the **Inter-State River Water Disputes Act, 1956** bars Supreme Court jurisdiction under Article 131.
11. **Article 32** (अनुच्छेद 32) is a Fundamental Right and gives the Supreme Court writ jurisdiction for **Fundamental Rights only**. **Article 226** is **wider** — High Courts can issue writs for Fundamental Rights **and** any other legal right.
12. **Article 136** Special Leave Petition is the Supreme Court's widest appellate power, but it does **not** apply to judgments of **armed-forces courts**. **Article 137** is review. **Article 143** advisory opinions are **not binding**; under **143(1)** the Court **may** decline, and under **143(2)** it **shall** report on pre-Constitution treaty questions.
13. The **42nd Amendment** had tried to cut High Court power over Central laws (**32A / 131A / 226A**). The **43rd Amendment** repealed those bars. High Courts **can** strike down Central laws.
14. Every State has a High Court under **Article 214**. A **common** High Court for two or more States needs only an **ordinary law** under **Article 231**, not a special amendment under Article 368 (अनुच्छेद 368). There are **25** High Courts. High Court judges retire at **62** (raised from 60 by the **15th Amendment**).
15. A High Court judge takes oath before the **Governor** but resigns to the **President**. Qualification is **10 years** judicial office or **10 years** as High Court advocate — **no** distinguished-jurist route. Salary is charged on the **State Consolidated Fund**; **pension** is charged on the Consolidated Fund of **India**.
16. Transfer of High Court judges is under **Article 222** and does **not** need the judge's consent. An **additional** High Court judge under **Article 224** sits for at most **two years** and must leave by age **62**. After retirement a permanent HC judge cannot practise in the **same** High Court (**Article 220**).
17. The three **Chartered** High Courts of **1862** are **Calcutta, Bombay, and Madras**. **Allahabad** (इलाहाबाद) High Court began on **17 March 1866** (first at Agra, then Allahabad from 1869). The **Lucknow Bench** (1948) is a **bench** of Allahabad, not a separate High Court. Allahabad has the largest sanctioned strength.
18. Judicial independence rests on fixed tenure, charged salaries, bar on discussion of conduct in legislatures (**121 / 211**), no practice after SC retirement (**124(7)**), contempt powers (**129 / 215**), separation under **Article 50**, and control of court staff (**146 / 229**).
19. PIL is **not** written in the Constitution; it grew through **Articles 32 and 226**. The key fact for the PIL CJI is **P.N. Bhagwati** (with Krishna (कृष्णा) Iyer). Landmark locus expansion came in **S.P. Gupta (रुपुता)** (1981).
20. Judicial review draws on **Articles 13, 32, 131, 136, 226, and 227**. Basic structure review survives **Kesavananda** (केशवानंद भारती 1973), **Minerva Mills**, and **L. Chandra Kumar** (एल चंद्र). **Review** is **Article 137**; a **curative** petition (**Rupa Hurra**, 2002) comes only **after** review fails.
21. District Judges are appointed by the **Governor in consultation with the High Court (Article 233)**. **Control** over the subordinate judiciary rests with the High Court (**Article 235**). Other than District Judges, appointments follow **Article 234** (Governor + High Court + State PSC).
22. Tribunals sit in **Part XIVA (Articles 323A–323B)**, added by the **42nd Amendment** — **not** Part XI. **323A** (administrative tribunals) is **Parliament only**. **323B** (other tribunals) may be used by **Parliament or a State**.
23. CAT started on **1 November 1985** at Delhi. **Sampath Kumar** (सम्पथ) (1987) treated tribunals as substitutes for High Courts. **L. Chandra Kumar** (1997) held that tribunals only **supplement** High Courts; **Articles 226 and 227** remain part of the basic structure.
24. NALSA rests on the **Legal Services Authorities Act, 1987** (in force **9 November 1995**). A **Lok Adalat** award equals a civil-court **decree** and has **no appeal**. A regular Lok Adalat works only by **compromise**; a **Permanent Lok Adalat** can decide merits in public-utility pre-litigation cases (cap about **₹1 crore**).
25. **Gram Nyayalayas** (2008 Act; in force **2 October 2009**) are separate courts, not Gram Panchayat courts, and are **not bound** by the Evidence Act. **Fast Track Courts** are ordinary sessions courts on a fast track — they are **not** ADR. An All-India Judicial Service under **Article 312** is enabled but **not yet created** and cannot go below District Judge rank.
26. Contempt of Court is inherent under **Articles 129 and 215**; the **1971 Act** only regulates it. Criminal contempt by a private person needs **Attorney General** (महान्यायवादी) consent under section **15**, but **suo motu** action does not. Truth in public interest became a defence by the **2006** amendment. Limitation is generally **one year**.
27. **Fathima Beevi** (1989) was the first woman Supreme Court judge; she later became Governor of **Tamil Nadu (तामिलु)**, not Kerala. **Anna Chandy** was the first woman High Court judge. **Leila Seth** (लीला सेठ) was the first woman High Court Chief Justice. **Indu Malhotra** (2018) was the first woman SC judge elevated directly from the **Bar**.
28. An **ad hoc** Supreme Court judge under **Article 127** is a **sitting** (बैठक) High Court judge. A **retired** judge may sit under **Article 128**. Do not swap these two articles.
29. Election petitions for MPs and MLAs go to the **High Court** under the Representation of the People Act and **Article 329**, not straight to the Supreme Court. President and Vice-President election disputes stay under **Article 71**.
30. The USA Supreme Court does **not** give advisory opinions. India's Supreme Court **does**, under **Article 143**, but those opinions are **not binding** on the President.

3. Must-Know Structural (संरचनात्मक) Facts

- Gram Sabha (243A):** Comprises **registered voters** of the village, not all residents. Powers are fixed by **State law**, not Central notification.
- Three Tiers (243B):** Village, intermediate, and district. Intermediate tier is **optional** if State population (जनसंख्या) is **≤ 20 lakh**.
- Election (243C / 243R):** All *seats* at all levels are filled by **direct** election. The chairperson's election mode is decided by State law (usually indirect, but UP Pradhan is direct).
- Reservation (243D / 243T):** SC/ST reserved in proportion to population. **Women** get **at least 1/3 (floor)** of total seats and chairpersons. OBC (अन्य पिछड़ा वर्ग) reservation is optional. UP gives 50% to women by State law.
- Term & Age (243E, 243F / 243U, 243V):** **5-year** term. Early dissolution (विघटन) requires elections within **6 months**, remaining term only. Minimum age is **21 years** (not 25).

- State Election Commission (243K / 243ZA):** Appointed by Governor. Runs PRI and ULB polls (not ECI). Removed like a **High Court judge**.

- PESA Act, 1996:** Extends Part IX to **Fifth Schedule** (5वीं अनुसूची) areas (10 States) but NOT to Sixth Schedule (6वीं अनुसूची).
- Cooperatives (97th Amd, 2011):** Part IXB (243ZH-243ZT). Art 43B DPSP (राज्य के नीति निर्देशक तत्व) and Art 19(1)(c) FR. In 2021, SC struck down its application to State cooperatives.
- Cantonment Board:** Set up under Cantonments Act (2006). Falls under **Ministry of Defence**. Station Commander is ex-officio President (not 74th Amd ULB).

4. Urban Local Bodies (Part IXA) — decidable spine

- Three types (Article 243Q):** **Nagar Panchayat** (transitional area), **Municipal Council** (smaller urban area), and **Municipal Corporation** (larger urban area). The **Governor** classifies; the Constitution does **not** fix one all-India population cut-off.
- Mayor vs Municipal Commissioner:** The **Mayor** is the political / ceremonial head; the **Municipal Commissioner** (usually IAS, State-appointed) is the executive. India follows the Commissioner system, not a US strong-mayor model.
- Ward Committee (Article 243S):** Mandatory in a municipality with population **≥ 3 lakh**. It is a committee of councillors — **not** an urban Gram Sabha (Part IXA has no urban Gram Sabha).
- First municipal corporation: Madras, 1688;** Bombay and Calcutta followed in **1726**.

Topic 11 — Centre–State Relations

Consolidated — 30 Must-Score Facts

1. Centre–State rules sit mainly in **Part XI** (legislative and administrative, **245–263**), **Part XII** (finance, **264–293** slice), and **Part XIII** (trade, **301–307**). The **7th Schedule** carries the Union, State, and Concurrent Lists.
2. Under **Article 246**, Union List prevails over Concurrent, and Concurrent prevails over State List. Residuary powers, including residuary taxation, belong to the **Union** under **Article 248** and Union List **Entry 97** — unlike the US model where residuary powers lie with the states.
3. Parliament can legislate on a State List subject under **249** (Rajya Sabha (राज्यसभा) resolution for national interest, lasting **one year**), **250** (during a National Emergency (राष्ट्रीय आपात)), **252** (two or more States request), **253** (treaty or international obligation), and during **President's Rule** under **356**.
4. The Rajya Sabha special majority for **Articles 249 and 312** is **two-thirds (ते-भाग)** of members present and voting, **not** two-thirds of total membership (सदन की कुल सदस्य संख्या का).
5. **Article 252** needs resolutions from **two or more States**; other States may adopt later; only **Parliament** can amend or repeal that law. **Article 253** needs **no** State request — treaties and international conferences are enough.
6. On the Concurrent List (समवर्ती सूची), **Article 254(1)** makes the Union law prevail in a clash. Under **254(2)**, a State law reserved for the President and assented to can prevail in that State **until** Parliament legislates again on the same matter.
7. Key doctrines are **pith and substance** (incidental encroachment can be valid), **colourable legislation** (you cannot do indirectly what you cannot do directly), **repugnancy**, **harmonious construction**, **territorial nexus**, and **occupied field**.
8. **Articles 256 and 257** bind States to comply with Union laws and directions and not to impede Union railways and communications. Ignoring Union directions under **Article 365** is a gateway to **President's Rule (356)**.
9. **Article 258** lets the Union entrust functions to a State (usually with consent). **Article 258A** (7th Amendment) lets a State entrust functions to the Union. **Article 261** is full faith and credit for public acts, records, and judicial proceedings across India.
10. All-India Services under **Article 312** need a Rajya Sabha resolution by **two-thirds present and voting**, then a Parliament law. The three AIS are **IAS, IPS, and IFoS** (IFoS from **1966**). **Article 312A** (28th Amendment) deals with ex-ICS officers.
11. **Article 265** bars tax without authority of law. **Article 271** surcharge on certain Union taxes belongs to the **Union only** and is not shared. **Article 268** stamp duties are levied by the Union but collected by the States.
12. The **Finance Commission (Article 280)** is appointed by the **President** every five years: a Chair and **four** (चातुर्यम) other members. It reports to the **President**, not to NITI Aayog (नीति आयोग). Qualifications are fixed by Parliament through the **1951 Act**.
13. The first Finance Commission was chaired by **K.C. Neogy**. The **14th** Finance Commission set the States' vertical share of the divisible pool at **42%**; the **15th** set it at **41%**. The **16th** is chaired by **Arvind Panagariya**.
14. **Article 275** grants recommended by the Finance Commission are **charged** on the Consolidated Fund of India (भारत की संचित निधि) (with a tribal (आदिवासी) proviso). **Article 282** allows **discretionary** grants by the Union **or** a State for any public purpose — do not swap 275 and 282.
15. A State cannot tax Union property (**285**). The Union cannot tax State property except as allowed (**289**). A State that is indebted to the Centre needs Union consent to borrow further (**293**).
16. GST arrived through the **101st Amendment (2016)** and went live on **1 July 2017**. It is a dual tax (CGST + SGST / IGST) under **Article 246A**, **not** residuary Entry 97. **Liquor** stays out; **five petroleum** items stay out until the Council decides otherwise.
17. The **GST Council (279A)** is chaired by the **Union Finance Minister**. Centre has **one-third** weight and States **two-thirds** (ते-भाग); decisions need **three-fourths** weighted majority; quorum (गणपूर्ति) is **half**. Recommendations are not strictly binding (*Mohit Minerals*, 2022).
18. **Article 301** guarantees freedom of trade, commerce, and intercourse throughout India; it is **not** a Fundamental Right under Article 19. Parliament may restrict under **302**. A State restriction under **304(b)** needs **previous Presidential sanction**.
19. Inter-State migration and inter-State quarantine sit in **Union List Entry 81**, not the State List.
20. The **Inter-State Council (Article 263)** is constitutional: the President **may** establish it; the **1990** order did so on **Sarkaria** advice; the **Prime Minister** chairs; it is recommendatory. Do not credit Punchhi for creating it.
21. **Zonal Councils** are statutory under the **States Reorganisation Act, 1956**. There are **five** zones. The **Union Home Minister** chairs them. Uttar Pradesh (उत्तर प्रदेश) sits in the **Central** Zonal Council (with Uttarakhand (उत्तराखंड), Madhya Pradesh, and Chhattisgarh), not the Northern zone.
22. The **North Eastern Council** is under a **1971 Act**. It is **not** a sixth Zonal Council. The **Prime Minister** chairs it (from 2002).
23. Water is **State List Entry 17**, subject to **Union List Entry 56** for inter-State rivers. **Article 262** lets Parliament bar courts; the **1956 Act** did bar **Article 131**. The 2019 tribunal Bill **lapsed** and is not in force.
24. **Article 131** is the Supreme Court's exclusive original jurisdiction for Union–State or inter-State disputes involving a **legal right**. Private parties are out. River water is out where barred. Faith-and-credit is **261**, not 131.
25. **Rajamannar (1969, Tamil Nadu (तामिल नडु))** wanted residuary powers with States, abolition of All-India Services, and repeal of **356**. **Sarkaria (1983–88)** backed a strong Centre, keeping AIS and 356, and creating the Inter-State Council.
26. **Punchhi (2007–10)** came after Sarkaria. It favoured localising **356**, strengthening the Inter-State Council, and time-capping bills under **Article 201**.
27. NITI Aayog (**2015**) replaced the **Planning Commission** (योजना आयोग). It did **not** replace the Finance Commission under **Article 280**. NITI is the SDG nodal body; it does not allocate the old Plan funds and does not report as if it were the FC.
28. The **42nd (42वाँ) Amendment** moved **five** subjects from the State List to the Concurrent List.
29. Profession tax under **Article 276** has a constitutional ceiling (figure **₹2,500** after the **60th Amendment**). Jute export-duty grants under **273** go to Assam, Bihar, Odisha, and West Bengal.
30. Border and inter-State settlements are often political (Union Home Minister plus Chief Ministers), not automatic **Article 131** cases. Read whether a **legal right** is pleaded before jumping to the Supreme Court's original jurisdiction.

Topic 12 — Constitutional Bodies

Consolidated — 28 Must-Score Facts

- 1. A **constitutional body** is created by the Constitution itself. Pay is often **charged** on the Consolidated Fund, and removal is often on the lines of a **Supreme Court judge**.
- 2. The **Election Commission (Article 324)** superintends elections to Parliament, State legislatures, the President, and the Vice-President. It does **not** elect the Speaker and does **not** run Panchayat or municipality polls (those belong to the **State Election Commission**).
- 3. Disputes over **President or Vice-President elections** go to the Supreme Court under **Article 71**, not to the Election Commission. **Article 325** creates one general electoral roll. **Article 326** is adult suffrage.
- 4. The Election Commission began as a **single-member** body in 1950, became multi-member in **1989**, briefly single again in **1990**, and has been **three-member** from **1993**. The Chief Election Commissioner is removed like a Supreme Court judge; other Election Commissioners are removed only on the CEC's recommendation.
- 5. An Election Commissioner's term is **six years or age 65**, whichever is earlier. The first CEC was **Sukumar Sen**. The first woman CEC was **V.S. Ramadevi (1990)**. The **2023 Act** places selection with the Prime Minister, Leader of Opposition in the Lok Sabha (लोकसभा), and a Union Cabinet Minister — the Chief Justice is **not** on that panel.
- 6. The **UPSC (Articles 315–323)** is appointed by the **President**. Term is **six years or age 65**. Roughly **half** the members must have at least **ten years** of government service. Removal follows the Supreme Court judge path after a Supreme Court inquiry (**317**).
- 7. UPSC advice is **not binding**. UPSC functions come from **four** (चातुर्यम) sources: the Constitution, Parliament, rules, and conventions. After leaving office, a UPSC Chairperson cannot take further Union or State office (**319**).
- 8. A **State PSC** member is appointed by the **Governor** but removed by the **President**, not the Governor. Extra functions for a State PSC need a law of the **State Legislature (321)**. A **Joint PSC** for two or more States needs a **Parliament** law; the President appoints.
- 9. The **Finance Commission (280)** is a Chair plus **four** members, appointed by the President every five years, reporting to the **President**. It is not NITI Aayog (नीति आयोग). The first Chair was **K.C. Neogy**; the 16th is chaired by **Arvind Panagariya**. Vertical shares moved from **42%** (14th) to **41%** (15th).
- 10. The **CAG (Articles 148–151)** is appointed by the President for **six years or age 65**, removed like a Supreme Court judge, and barred from further office under the Government of India. Form of accounts follows **150**; reports go under **151**.
- 11. India's CAG is mainly an **Auditor after spending**, not a UK-style Comptroller who controls issue of money beforehand. The **Public Accounts Committee** examines CAG reports; the Estimates (आकलन समिति) Committee does not. The first CAG of independent India was **V. Narahari Rao**.
- 12. The **Attorney General (Article 76)** must be qualified to be a Supreme Court judge and holds office during the **pleasure of the President** — there is no impeachment route. The AG may speak in both Houses but has **no vote**. Private practice is allowed except against the Government of India.
- 13. Salary of the Attorney General is **not charged** on the Consolidated Fund. The Solicitor General and Additional Solicitors General are **not** constitutional offices. Do not confuse the AG with the CAG or with the Advocate General.
- 14. The **Advocate General (Article 165)** must be qualified to be a High Court judge and holds office during the **pleasure of the Governor**. Article **165** is not an Election Commission article.
- 15. The **GST Council (279A)** is a constitutional body under the **101st Amendment**. The Union Finance Minister chairs it. Voting (गणपूर्ति) weight is Centre **one-third** and States **two-thirds** (ते-भाग), with **three-fourths** weighted majority and quorum (गणपूर्ति) of **half**.
- 16. **Articles 350, 350A, and 350B** came through the **7th Amendment (1956)**, not the 9th. **350** allows representation in any language; **350A** (अनु. 350A) protects mother-tongue instruction at the primary stage; **350B** creates **one** Special Officer for Linguistic Minorities for the whole of India.
- 17. **Article 338** is the National Commission for Scheduled Castes (with list power under **341**). **338A** is the National Commission for Scheduled Tribes (**342**). **338B** is the National Commission for Backward Classes (**342A**), given constitutional status by the **102nd Amendment**.
- 18. **Article 339** allows an ad hoc commission on Scheduled Areas and Scheduled Tribes administration — it is **not** the standing NCST. **Article 340** is the inquiry article behind Kalelkar/Mandal-type exercises — it is **not** the standing NCBC under **338B**.
- 19. The **105th Amendment (2021)** restored States' power to identify their own Socially and Educationally Backward Classes after the 102nd had centralised the list logic. Keep **102nd** and **105th** as a confused pair.
- 20. The Official Language Commission under **Article 344** was to be set up at five years and then ten years (Kher Commission, 1955). English was originally to continue for **fifteen years** under **343**; the Official Languages Acts of **1963/1967** continue English without a hard stop.
- 21. **NITI Aayog** (नीति आयोग) is an **executive** body (Cabinet Resolution). **NHRC** (राष्ट्रीय मानव अधिकार आयोग) is **statutory**. **NCSC** (राष्ट्रीय अनुसूचित जाति आयोग) is **constitutional**. Sorting bodies by creation source is a standing prelims skill.
- 22. Representation of the People Acts split the work: **RPA 1950** covers rolls, seats, and delimitation machinery; **RPA 1951** covers conduct, nominations, corrupt practices, and election petitions. ECI opinions under certain RPA sections bind the President/Governor on disqualification questions.
- 23. The Election Commission does **not** decide Speaker elections inside the House. Interior House offices follow parliamentary procedure (प्रक्रिया); external electoral superintendence stays with **324**.
- 24. CAG reports are examined by the **Public Accounts Committee**, not by inventing a "CAG committee." Estimates Committee works on estimates, not CAG audit (कैग लेखापरीक्षा) paras.
- 25. UPSC and SPSC members' independence is protected by charged expenditure (भारित) and difficult removal. Still, their **advice** to the government is recommendatory, not mandatory.
- 26. The Special Officer for Linguistic Minorities (**350B**) is **one** officer for India. Do not confuse that office with the **National Commission for Minorities**, which is statutory.
- 27. Joint State PSCs exist only when **two or more States** ask through a **Parliamentary** law. A single State cannot invent a JPSC by State Act alone.
- 28. Constitutional bodies with "like SC judge" removal include the **CEC**, **UPSC** (संघ लोक सेवा आयोग) members (after SC inquiry), and the **CAG**. The **Attorney General** (महान्यायवादी) is the classic pleasure-doctrine contrast — easy removal, no impeachment.

Must-score facts — EC, UPSC, CAG, FC

Topic 13 — Statutory & Non-Constitutional Bodies

Consolidated — 30 Must-Score Facts

1. A **statutory body** is created by an **Act of Parliament or a State legislature**. It is not created by the Constitution (CAT is the special case that rides on **Article 323A**).
2. The **Lokpal and Lokayuktas Act, 2013** creates a Chairperson and up to **eight** members, with **half** judicial and **half** from SC/ST/OBC (अन्य पिछड़ा वर्ग)/minorities/women. Term is **five years or age 70**. Removal is like a Supreme Court judge.
3. Lokpal's Selection Committee is the **Prime Minister, Lok Sabha (लोकसभा) Speaker, Leader of Opposition in the Lok Sabha**, the **CJI or nominee**, and an **eminent jurist**. The **Chairman of the Rajya Sabha** is **not** on that panel. Search Committee and Selection Committee are different bodies.
4. The first Lokpal was **Justice P.C. Ghose (2019)**. Complaints ordinarily cover acts within about **seven years** and follow a prescribed form. **Lokayukta (लोकायुक्त)** is a **State Act** office; **Maharashtra (1971)** was first; Uttar Pradesh (उत्तर प्रदेश) has a 1975 Act with an Up-Lokayukta.
5. The **Central Vigilance Commission** began from the Santhanam idea (**1962**), became executive in **1964**, and gained statutory status under the **CVC Act, 2003** after Vineet Narain. It has **no constitutional article**. Composition is Chairperson plus **two** Vigilance Commissioners.
6. CVC members are selected by the **Prime Minister, Home Minister, and Leader of Opposition**, for **four (चातुर्यम) years or age 65**. The CVC has superintendence over the CBI in Prevention of Corruption cases, but the CVC itself is **not** a police force. The CBI Director panel is **PM + LoP (LS) + CJI**, not the CVC.
7. The **RTI Act, 2005** (in force **12 October 2005**) creates the CIC and SICs. Normal reply time is **30 days (48 hours)** where life or liberty is at stake. PIO penalty can go up to **₹25,000**. The 2019 amendment lets the Centre prescribe term and salary.
8. CIC selection involves the **Prime Minister, Leader of Opposition, and a Union Cabinet Minister (कैबिनेट मंत्री)**. The RTI movement's grassroots fact is often traced to **MKSS**. Section **8** lists exemptions; section **4** demands suo motu disclosure.
9. The **NHRC (राष्ट्रीय मानव अधिकार आयोग)** is under the **Protection of Human Rights Act, 1993**. It is **statutory**, not Article **338**. Its recommendations are recommendatory. Complaints are ordinarily within **one year**. After 2019, the Chair may be a retired **CJI or Supreme Court judge**; term is **three years or age 70**.
10. An **SHRC** Chair is typically a retired High Court Chief Justice; after 2019 a retired High Court judge may also qualify. Do not treat NHRC/SHRC as constitutional commissions under 338–338B.
11. The **National Green Tribunal (2010)** covers scheduled environment (पर्यावरण) Acts; the **Wildlife Protection (वन्यजीव सुरक्षा) Act** is **not** on that schedule. The Chair is an SC or HC judge; the Principal Bench is in **Delhi**; appeal lies to the Supreme Court; disposal aim is about **six months**.
12. NGT decides with the principles of **sustainable development, polluter pays**, and the **precautionary** principle. It is created by the NGT Act, not by Article 323A.
13. The **National Commission for Women Act** is **1990**. The **National Commission for Minorities Act** is **1992** (Jains notified in **2014**). NCM is **not** the Special Officer under **350B** (अनु. 350B).
14. **NCPCR (2005)** deals with children below **18** and works with State Commissions. The **National Commission for Safai Karamcharis** is statutory (**1993** lineage; PEMSR **2013**) and is **not** Article 338.
15. **NDMA** sits under the **Disaster Management Act, 2005**. The **Prime Minister** chairs NDMA; the **Chief Minister** chairs SDMA; the **District Magistrate** chairs DDMA. The National Executive Committee is headed by the **Cabinet Secretary**.
16. The **Competition Commission of India** works under the Competition Act, **2002** (operations from **2009**). It replaced the old MRTP regime. Appeals go to **NCLAT**. Focus sections include anti-competitive agreements, abuse of dominance, and combinations.
17. **SEBI** began as an executive body in **1988** and became statutory under the **SEBI Act, 1992**. Headquarters is in **Mumbai**. Appeals go to the **Securities Appellate Tribunal**.
18. The **RBI** follows the Hilton Young idea (**1926**), the RBI Act **1934**, and started on **1 April 1935**; it was nationalised in **1949**. Currency notes are an RBI function, but **₹1 notes and coins (रूपक)** are Government of India. The **Monetary Policy Committee** dates to **2016**.
19. The **National Housing Bank Act** is **1987**. From **2019**, the **RBI** regulates housing finance companies while the Government owns NHB — a classic ownership-versus-regulation split.
20. **CAT** was created by the Administrative Tribunals Act, **1985**, with Principal Bench at Delhi, under **Article 323A**. High Court writ power under **226** survives after *L. Chandra Kumar* (एल चंद्र). Armed forces use the **Armed Forces Tribunal (2007)**, not CAT.
21. **NITI Aayog (नीति आयोग)** began by Cabinet Resolution on **1 January 2015**. It is **neither constitutional nor statutory**. The **Prime Minister** is Chair; the first Vice-Chair was **Arvind Panagariya**. It is a think-tank and does **not** replace the Finance Commission (वित्त आयोग).
22. NITI's Governing Council includes Chief Ministers and Lieutenant Governors. It is the **SDG nodal** body. It runs AIM, DMEQ, and Aspirational Districts. It does **not** allocate the old Planning Commission Plan funds.
23. The old **Planning Commission (योजना आयोग)** began on **15 March 1950**. The **National Development Council** began on **6 August 1952** (PM plus Chief Ministers) and approved Five-Year Plans. NITI replaced the Planning Commission, not the NDC's entire political history (इतिहास) overnight, but Plan-era machinery changed.
24. The **CBI** was set up by an MHA resolution on **1 April 1963**. Its investigation power rides on the **Delhi Special Police Establishment Act, 1946**. It is **not** statutory in the same way as the CVC Act body. It needs **State consent** under section **6** unless a High Court or the Supreme Court orders otherwise.
25. CBI is India's National Central Bureau for **Interpol** and runs **BHARATPOL**. The Academy is at **Ghaziabad**. Administrative control links include **DoPT**.
26. The **NIA** was created by the **NIA Act, 2008** after 26/11. It investigates scheduled offences and does **not** need State consent in the CBI sense. The **2019** amendment widened its reach.
27. The **Intelligence Bureau (1887)** is the oldest, for **internal** intelligence under the Home Ministry. **RAW (21 September 1968)**, founded under **R.N. Kao**, handles **external** intelligence under the Cabinet Secretariat. The **Enforcement Directorate (1956)** under the Department of Revenue works FEMA and PMLA.

29. **Zonal Councils** are **statutory** under the **States Reorganisation Act, 1956** (five zones). The **Union Home Minister** is the common chair. Uttar Pradesh sits in the **Central** Zonal Council (HQ Prayagraj). The **North Eastern Council** is a separate **1971** Act body — not a sixth Zonal Council.
30. The **Law Commission of India** is an **executive / extra-constitutional** advisory body (usually a **three-year** term under the Ministry of Law and Justice). The first Law Commission of independent India (**1955**) was chaired by **M.C. Setalvad**. It is **not** a constitutional body and **not** created by a standing statute.

Topic 14 — Elections

Consolidated — 28 Must-Score Facts

- 1. **Article 324** gives the Election Commission superintendence over elections to Parliament, State legislatures, the President, and the Vice-President. It does **not** cover the Speaker's election inside the House or Panchayat/ULB polls (those are **SEC**).
- 2. **Article 327** lets Parliament make election law; **Article 328** lets States legislate subject to Parliament. **RPA 1950** covers rolls, seats, and delimitation machinery; **RPA 1951** covers conduct, nominations, corrupt practices, and petitions.
- 3. Bye-elections are ordinarily held within **six months**, but may be skipped if the remainder of the term is less than **one year**.
- 4. **Article 326** is universal adult suffrage. The voting age moved from **21 to 18** by the **61st Amendment (1988)**, in force from **1989**. **Article 325** creates one general electoral roll and forbids communal rolls.
- 5. A person in prison under a sentence of imprisonment generally **cannot vote** under RPA section **62(5)**. A person in **preventive detention** may still be able to vote — do not collapse the two.
- 6. **First Past the Post** elects the Lok Sabha (लोकसभा) and Vidhan Sabhas: most votes win, not proportional representation. Double-member constituencies ended in **1961**. Lok Sabha elected strength is **543**; Anglo-Indian nomination under **331** ended with the **104th Amendment**.
- 7. **Proportional Representation by Single Transferable Vote** is used for the **President, Vice-President, Rajya Sabha (राज्यसभा), and Legislative Councils**. Rajya Sabha party voting uses an **open ballot (2003)**; President and Vice-President use a **secret** ballot.
- 8. An MLA's vote value for the Presidential election uses the **1971** population (जनसंख्या) formula: State population ÷ (elected MLAs × **1000**). Keep 1971 as the freeze year in that formula.
- 9. The **Model Code of Conduct** is an Election Commission **convention**, not a statute. It starts from announcement of the schedule. The **48-hour silence** period is both MCC practice and statutory under RPA section **126**.
- 10. **National Voters' Day** is **25 January** — the day the Election Commission was founded in **1950**. The first National Voters' Day was celebrated in **2011**.
- 11. The **Delimitation Commission** is a **statutory** body separate from the Election Commission, even if the CEC sits on it. Major Delimitation Acts include **1952, 1962, 1972, and 2002**.
- 12. The **42nd (42वाँ) Amendment** froze Lok Sabha seat allocation on the **1971** census until **2000**. The **84th Amendment** extended the freeze until the first census after **2026**. The **87th Amendment** allowed redrawing on the **2001** census **without** changing State-wise Lok Sabha totals.
- 13. A delimitation order has the force of law, and **Article 329** bars courts from questioning delimitation. Election petitions for House seats also live under the **329** bar-and-petition scheme.
- 14. **Article 330** reserves Lok Sabha seats for SC/ST; **332** does the same for Assemblies. All voters in that constituency vote; only SC/ST candidates contest the reserved seat.
- 15. The **104th Amendment (2019)** extended SC/ST reservation to **25 January 2030** and **ended** Anglo-Indian nomination in the Lok Sabha and Assemblies. The **106th Amendment (2023)** reserves **one-third** of seats for women in the Lok Sabha and Assemblies, but only **after** the next delimitation.
- 16. Uttar Pradesh (उत्तर प्रदेश) has the largest Lok Sabha contingent (**80** seats) and an Assembly of **403**. Local body polls in UP are run by the **UP State Election Commission**, not the ECI.
- 17. Political party **registration** is under RPA section **29A**. **Recognition** as a national or State party follows the **Symbols Order, 1968**. National-party tests include vote share across States or Lok Sabha seat share thresholds.
- 18. Anti-defection is in the **10th Schedule**, inserted by the **52nd Amendment (1985)**. The **91st Amendment (2003)** removed the one-third split escape and kept merger only at **two-thirds** (दो-भाग). The Speaker decides; *Kihoto Hollohan* allows limited judicial review.
- 19. A recognised party may name up to **40** star campaigners; an unrecognised party may name **20** (RPA section **77** expenditure rules).
- 20. An election petition for an MP or MLA goes to the **High Court** within **45 days**. Appeal lies to the Supreme Court. Corrupt practices are listed in RPA section **123**. President/VP election disputes stay under **Article 71**.
- 21. **EVMs** were first used in Kerala in **1982** and covered all booths by **2004**. They are made by **BEL** and **ECIL**. **VVPAT** was first used at **Noksen (Nagaland) on 4 September 2013** and nationwide by **2019**; the Supreme Court required verification of **five** VVPAT slips per Assembly constituency.
- 22. **NOTA** came from **PUCCL (2013)**. NOTA does **not** force a re-poll even if it "wins."
- 23. A useful chronology fact is **EVM (1982) → EPIC (1993) → VVPAT → NOTA**. Keep the order; do not invent a reverse sequence.
- 24. India ran **simultaneous** elections from **1951–67**. The Kovind panel (**2023–24**) studied a return; implementing it would need changes around Articles such as **83, 85, 172, and 174**. It is **not yet law**.
- 25. **Electoral bonds** (2018 scheme) were **struck down** by the Supreme Court in **February 2024**. Do not treat the scheme as still valid.
- 26. Free and fair elections are part of the Constitution's basic electoral design through **324–329**, adult suffrage, one roll, and independent machinery. Delimitation freezes and reserved seats are separate but related facts.
- 27. The Election Commission's multi-member form and the CEC's harder removal protect independence, but day-to-day election law still comes from the **RPA**s and Rules — **Article 324** is not a blank cheque to ignore statute.
- 28. Reserved constituencies change only through delimitation and constitutional extension dates. Women's reservation under the **106th** waits for post-census delimitation; SC/ST reservation currently runs to **2030** under the **104th**.

Topic 15 — Emergency Provisions

Consolidated — 26 Must-Score Facts

- 1. Emergency Provisions sit in **Part XVIII (Articles 352–360)**. There are three proclamations: **National Emergency (352)**, **President’s Rule (356)**, and **Financial Emergency (360)**.
- 2. National Emergency under **352** may be proclaimed for **war, external aggression, or armed rebellion**. The **44th Amendment** replaced the old phrase “**internal disturbance**” with **armed rebellion**.
- 3. A 352 proclamation needs **written advice of the Union Cabinet**, not the Prime Minister alone — a direct lesson from **1975**. Parliamentary approval must come within **one month** by **special majority** in both Houses (majority of total membership (सदन की कुल सदस्य संख्या का) plus two-thirds (ते-भाग) of those present and voting (गणपूर्ति)).
- 4. Once approved, a National Emergency continues for **six months** at a time with fresh approvals. The Lok Sabha (लोकसभा) can force revocation by passing a disapproval resolution. One-tenth of Lok Sabha members can compel a sitting (बैठक) within **fourteen days**.
- 5. National Emergency has been used in **1962** (China), **1971** (Pakistan), and **1975–77** (the Internal Emergency, **25 June 1975 to 21 March 1977**).
- 6. Under **Article 358, Article 19** automatically suspends only when the Emergency is on grounds of **war or external aggression** — **not** for armed rebellion alone. Under **359**, the President may suspend enforcement of named Fundamental Rights, but **Articles 20 and 21** can **never** be suspended (44th Amendment; contrast *ADM Jabalpur*).
- 7. After the 44th Amendment, laws or executive action during Emergency need a real **emergency nexus (358(2) / 359)**. Blanket misuse without nexus is not protected.
- 8. **President’s Rule** uses **Article 356** (अनुच्छेद 356), linked to the Union’s duty under **355** and the directions-gateway under **365**. Parliamentary approval is needed within **two months** by **simple majority** in both Houses.
- 9. President’s Rule runs in **six-month** slices. Beyond **one year**, continuation needs a National Emergency in force in India or that State **and** an Election Commission (निर्वाचन आयोग) certificate that elections cannot be held. Maximum is normally **three years**.
- 10. *S.R. Bommai* (**1994**) made 356 justiciable, insisted on majority on the **floor of the House**, and warned against dissolving the Assembly before Parliament approves the proclamation. The President **cannot** assume High Court powers under 356.
- 11. The first use of President’s Rule was in **Punjab in 1951**. Mass misuse is especially remembered around **1977** and **1980**.
- 12. **Financial Emergency (360)** is for a threat to India’s financial stability or credit. It has **never been used**. Approval window is **two months** by simple majority; it then continues until revoked — there is **no** six-month renewal clock like 352/356.
- 13. During a Financial Emergency the Centre may give directions on financial propriety, reduce salaries even of judges, and require State money bills to be reserved.
- 14. **Martial law** is military control in a locality, with indemnity possible under **Article 34**. It is **not** a substitute for National Emergency. Under 352 the civilian Constitution continues with emergency overlays.
- 15. While a National Emergency is on, **Article 250** lets Parliament legislate on the **State List** (राज्य सूची). Under **353** the Union may direct States on almost any matter — a strong unitary tilt. **354** lets the President modify Centre–State revenue sharing during 352.
- 16. State Assembly life can be extended by **one year at a time** during a National Emergency (**Article 172**), subject to the usual outer limits after Emergency ends.
- 17. Election petitions and the **Article 329** bar continue to matter even in Emergency contexts — Emergency does not invent a free-for-all over electoral disputes.
- 18. Special majority for **352** approval is harder than the **simple majority** used for **356** and **360**. Approval time is **one month** for 352 and **two months** for 356/360.
- 19. Textbook labels “National Emergency” and “State Emergency” map to **352** and **356**; the Constitution itself does not use the phrase “State Emergency.”
- 20. External Emergencies (1962, 1971) rest on war or external aggression. The 1975 proclamation was still under the older **internal disturbance** language before the 44th rewrite.
- 21. **Article 355** is the Union’s **duty** to protect States against external aggression and internal disturbance and to ensure that State government runs with the Constitution. **356** is the **proclamation** that takes over when that machinery fails.
- 22. During 356 the President (through the Governor) can assume State executive powers and Parliament/State law roles as provided, but judicial independence of the High Court is ring-fenced — no takeover of **High Court** powers.
- 23. Financial Emergency directions can reach salary cuts for government servants and judges and can force reservation of money bills — facts that do not appear under ordinary 356 politics.
- 24. The Emergency FR map is simple if memorised as a triangle: **358** auto-hits **19** (war/external only); **359** can suspend enforcement of other named rights by order; **20 and 21** stay awake.
- 25. Cabinet written advice, armed rebellion wording, unsuspendable 20/21, and emergency nexus are the four (चातुर्याम) **44th Amendment** knives every prelims answer should recall together.
- 26. Punchhi (पुंछी आयोग) later suggested **localising** 356 rather than dismissing a whole State government for a local breakdown — useful for mains, while *Bommai* remains the judicial fact for prelims.

Topic 16 — Constitutional Amendments

Consolidated — 28 Must-Score Facts

- 1. Amendment power sits in **Part XX, Article 368** (अनुच्छेद 368). An amendment Bill may start in **either House**. There is **no joint sitting** (संयुक्त बैठक). After the **24th Amendment**, the President **shall** assent.
- 2. There are **three lanes**: **simple majority** changes that are **not** “under 368” (new States, Article 169 Councils, Schedules 5/6 matters, and similar); **special majority** under **368(2)** (majority of total membership (सदन की कुल सदस्य संख्या का) plus two-thirds (ते-भाग) present and voting (गणपूर्ति)); and **special majority plus ratification by half the States** for federal provisions.
- 3. Federal provisions needing State ratification include Presidential election, extent of executive power (**73/162**), Supreme Court and High Courts, the **7th Schedule, Article 368** (अनुच्छेद 368) itself, and State representation in the Rajya Sabha (राज्यसभा).
- 4. The basic-structure chain runs **Shankari Prasad (1951) → Sajjan Singh (1965) → Golaknath (1967) → 24th Amendment (1971) → Kesavananda (1973) → 42nd (1976) → Minerva Mills (1980)**. *Kesavananda* held that Parliament can amend Fundamental Rights (मौलिक अधिकार) but **not** destroy basic structure.
- 5. A shorter chronology trap is **Golaknath → 24th → Kesavananda → 42nd**. *Golaknath* said Fundamental Rights could not be amended; the **24th** asserted Parliament’s power; *Kesavananda* balanced power with basic structure.
- 6. The **1st Amendment (1951)** added **15(4)**, widened **19(2)** for public order, and inserted **31A/31B** with the **9th Schedule** (9वीं अनुसूची) shield for certain laws.
- 7. The **7th Amendment (1956)** reorganised States and added **350A (अनु. 350A)/350B (अनु. 350B)**. Linguistic-minority Articles **350A/350B** are **7th, not 9th**. The **9th Amendment** (9वां संशोधन) is the Berubari boundary amendment.
- 8. The **24th Amendment (1971)** affirmed that Parliament can amend Part III (मौलिक अधिकार) and that the President shall assent. The **25th** inserted **31C** linked to Articles **39(b)/(c)** and spoke of “amount” rather than market value for compensation. The **26th** abolished **privy purses**.
- 9. The **36th Amendment (1975)** made **Sikkim** a State (**371F**). The earlier **35th** had made Sikkim an “associate” State with an old Tenth Schedule device — do not confuse 35th and 36th.
- 10. The **42nd Amendment (1976)** is the **Mini-Constitution**: it added **Socialist, Secular, and Integrity** to the Preamble; inserted Fundamental Duties (मौलिक कर्तव्य) (**51A**); added DPSPs **39A, 43A, 48A**; and moved **five** subjects to the Concurrent List (समवर्ती सूची).
- 11. The 42nd also tried to immunise amendments from review through **368(4)/(5)** and to widen **31C** to all DPSPs — both struck in *Minerva Mills*. The **43rd Amendment (1977)** undid judicial bars such as **32A/131A**.
- 12. The **44th Amendment (1978)** moved property to **Article 300A**, made **Articles 20 and 21** unsuspendable, rewrote Emergency rules (written Cabinet advice, armed rebellion, nexus), and added **38(2)** and **361A**.
- 13. The **39th Amendment (1975)** tried to place the Prime Minister’s election beyond judicial reach; the Supreme Court struck that device in the *Indira Gandhi* (गांधी) election case.
- 14. The **52nd Amendment (1985)** inserted the **present Tenth Schedule** (anti-defection). An earlier Sikkim-related Tenth Schedule had already gone. The **91st Amendment (2003)** killed the one-third split escape, set Council of Ministers size caps (**15%**, Delhi **10%**), and added **361B**.
- 15. The **61st Amendment** lowered voting age to **18** (in force **1989**). Do not confuse it with a **62nd**-style extension of reservation timelines under **334**.
- 16. The **69th Amendment (1991)** created **NCT Delhi** under **239AA**. The **70th** put NCT into the Presidential electoral college. Neither is the same as the wider NCR planning belt.
- 17. The **73rd and 74th Amendments (1992)** created **Parts IX and IXA (नगरपालिका)**. They came into force in **1993 — 24 April** for Panchayats and **1 June** for Municipalities.
- 18. The **86th Amendment (2002)** inserted **Article 21A** (RTE), recast **Article 45**, and added duty **51A(k)**. The RTE Act **2009** took effect on **1 April 2010**.
- 19. The **97th Amendment (2011)** constitutionalised cooperatives (**43B, 19(1)(c), Part IXB**). Part IXB was later held **inoperative for State cooperatives (2021)**.
- 20. The **101st Amendment (2016)** introduced GST (**246A, 279A**), live from **1 July 2017**. The **102nd (2018)** constitutionalised NCBC (राष्ट्रीय पिछड़ा वर्ग आयोग) (**338B**) and the Central SEBC list logic (**342A**).
- 21. The **103rd Amendment (2019)** created **EWS** reservation of **10%** through **15(6)/16(6)**; *Janhit Abhiyan* (**2022**) upheld it. The **105th (2021)** restored States’ power to identify their own SEBCs.
- 22. The **104th Amendment** ended Anglo-Indian nomination and extended SC/ST reservation to **2030**. The **106th (2023)** reserves **one-third** seats for women in the Lok Sabha and Assemblies, but only **after** the next delimitation — it is **not yet in force** as seat reservation on the ground.
- 23. The **96th Amendment (2011)** changed **Oriya** to **Odia** in the Eighth Schedule — a pure year-and-name match.
- 24. Simple-majority changes outside Article 368 look ordinary but can still remake the map of States. Special-majority-plus-States is the federal fact when the question names the 7th Schedule or Article 368 itself.
- 25. *Minerva Mills* restored judicial review of amendments and struck the attempt to give DPSPs complete supremacy over Fundamental Rights through an overbroad **31C**.
- 26. Ninth **Schedule** (from the 1st Amendment) is a protective list of laws; Ninth **Amendment** is Berubari. Mixing Schedule and Amendment number is a classic trap.
- 27. Local-government amendments are the pair **73rd + 74th**. Rights-education is **86th**. Goods and services tax is **101st**. EWS is **103rd**. Women reservation awaiting delimitation is **106th**.
- 28. The **42nd (1976)** added **Socialist** and **Secular** to the Preamble. The **44th (1978)** unwound Emergency excesses and moved property out of Part III to **Article 300A**.

Topic 17 — Language & Special Provisions

Consolidated — 28 Must-Score Facts

- 1. Part XVII (Arts. 343–351) deals with official language. The Constitution **never** names a **national language** (राष्ट्रभाषा).
- 2. The Union official language (संघ राजभाषा) is **Hindi in Devanagari**. The international form of Indian numerals is used for official purposes of the Union.
- 3. The Constitution gave English **fifteen years** from 26 January 1950. The Official Languages Act **1963** (amended **1967**) keeps English in use **with** Hindi without a sunset.
- 4. Article **344** creates an Official Language Commission at **five years** and again at **ten years** from 1950. It is **not** a standing body. A parliamentary committee of **30 MPs (20 Lok Sabha (लोकसभा) + 10 Rajya Sabha (राज्यसभा))** examines its report.
- 5. The **1976** Committee of Parliament on Official Language is a **statutory** standing body chaired by the **Home Minister**. It is **not** the Article 344 Commission (अनु. 344 आयोग).
- 6. A State may adopt one or more languages, or Hindi, as its official language under Article **345**. Under Article **347**, the **President** may direct that a language spoken by a section of the population (जनसंख्या) be officially recognised in that State.
- 7. Until Parliament otherwise provides, the authoritative texts of Acts and proceedings in the Supreme Court and High Courts are in **English** (Article **348**).
- 8. Article **351** places a Union duty to promote Hindi as a medium of expression for India’s composite culture, drawing vocabulary from Eighth Schedule (आठवीं अनुसूची) languages.
- 9. Article **350** lets any person submit a grievance representation in any language used in the Union or the State. Article **350A** (Seventh Amendment) requires States to provide mother-tongue instruction at the **primary** stage.
- 10. Article **350B** creates **one** Special Officer for Linguistic Minorities for the whole of India. It was inserted by the **Seventh** Amendment, **not** the Ninth. It is **not** a per-State office.
- 11. The Eighth Schedule began with **14** languages. **Sindhi** made it **15** (21st Amendment, 1967). **Konkani, Manipuri (मणिपुरी), and Nepali** made it **18** (71st, 1992). **Bodo, Dogri, Maithili, and Santhali** made it **22** (92nd, 2003). The 96th Amendment (2011) renamed **Oriya** as **Odia**.
- 12. **Bhojpuri, English, Rajasthani, Tulu, and Khasi (खासी)** are **not** in the Eighth Schedule. Being in the Eighth Schedule does **not** make a language the Union official language.
- 13. Classical language (शास्त्रीय भाषा) is an **executive** tag, not a constitutional list. **Tamil** was the first (2004). After the 3 October 2024 notifications there are **eleven** classical languages.
- 14. In Uttar Pradesh (उत्तर प्रदेश), **Hindi** is the official language and **Urdu** is the second official language (from **1989**). Under the Official Language Rules **1976**, Uttar Pradesh falls in **Region A**.
- 15. Hindi Diwas is observed on **14 September** (Munshi–Ayyangar formula, 1949). The **58th** Amendment / Article **394A** provides for an authoritative **Hindi** text of the Constitution.
- 16. Parliament may provide for continued English under Articles **343(3), 120, and 348** by **ordinary** law (simple majority). Changing the **text** of Article 343 itself needs Article **368** special majority and is **not** on the federal-consent list.
- 17. Part **X** maps Scheduled and Tribal Areas: Article **244(1)** → Fifth Schedule; Article **244(2)** → Sixth Schedule (Assam, Meghalaya (मेघालय), Tripura, Mizoram).
- 18. Uttar Pradesh has Scheduled Tribes but **no** Fifth Schedule area, so **PESA does not apply** in UP.
- 19. The Fifth Schedule covers **ten** States. A Tribes Advisory Council has up to **20** members with **three-fourths** Scheduled Tribe (अनुसूचित जनजाति) MLAs. **PESA 1996** (पेसा) applies only to Fifth Schedule areas.
- 20. The Sixth Schedule creates Autonomous District Councils. It does **not** cover **Nagaland, Sikkim, Arunachal Pradesh, Manipur, or Ladakh**. Tripura **is** a Sixth Schedule State; Nagaland is **not**.
- 21. Article **371A** (अनु. 371A) protects Nagaland’s land and customary law. Article **371I** (अनु. 371I) requires Goa (गोवा)’s Assembly to have at least **thirty** seats. Article **371J** covers the **Kalyana-Karnataka** (Hyderabad-Karnataka) region with a development board and local preference.
- 22. Article **370** was made inoperative from **6 August 2019**. Article **35A** was a **1954** Presidential Order on permanent residents; it was **not** a constitutional amendment.
- 23. From **31 October 2019**, Jammu & Kashmir and Ladakh became separate Union Territories. Jammu & Kashmir later held Assembly elections in **2024**.
- 24. The Inner Line Permit system is a **neighbour** control regime for selected north-eastern areas; it is **not** itself a Fifth or Sixth Schedule clause.
- 25. Fifth Schedule = Tribes Advisory Council + PESA path. Sixth Schedule = Autonomous District Councils for AMTM States. Do not swap the tools.
- 26. Linguistic minorities are protected through Articles **350–350B**. The National Commission for Minorities (1992) is a **statutory** body for **religious** minorities — not a substitute for the 350B officer (भाषाई अल्पसंख्यक अधिकारी).
- 27. Classical languages may overlap with Eighth Schedule names, but the tags are **not** one-to-one: classical status does not add a language to the Eighth Schedule, and Eighth Schedule listing does not create classical status.
- 28. Special provisions for States sit mainly in Part **XXI** (Arts. **371–371J**). Memorise the letter facts (**371A** Nagaland, **371I** Goa seats, **371J** Kalyana-Karnataka) rather than treating “371” as one generic article.

Topic 18 — Political Parties & Pressure Groups

Consolidated — 26 Must-Score Facts

- 1. The Constitution barely names parties. The main hooks are Article **19(1)(c)** (association), the **Tenth Schedule** (defection), and Article **324** (elections). Parties were largely **extra-constitutional** until the **52nd** Amendment.
- 2. Registration of a political party (राजनीतिक दल) is under **section 29A** of the Representation of the People Act, 1951 (Registered Unrecognised Political Party). **Recognition** as a National or State party is under the Election Symbols Order **1968**. Do not merge the two steps.
- 3. A party becomes a **National** party by any one route: **6% votes in four** (चातुर्यांश) States plus **four** Lok Sabha (लोकसभा) seats; or **2% of Lok Sabha seats** from at least **three** States; or State-party status in **four** States.
- 4. A party becomes a **State** party in that State by any one route: **6% votes plus two MLAs or one MP**; or **3% of Assembly seats or three seats** (whichever is higher); or **one** Lok Sabha seat per **25** Assembly seats; or **8% of votes** even with zero seats.
- 5. As of 2024–26 there are **six** national parties: **AAP** (broom), **BSP** (elephant), **BJP** (lotus), **CPI(M)** (hammer-sickle-star), **INC** (hand), and **NPP** (book). **CPI** lost national status in **2023**. **NPP** was the first north-eastern national party (**2019**).
- 6. Reserved symbols go to recognised parties. Free symbols go to unrecognised parties and independents.
- 7. A standard founding-year order is **TDP 1982 → BSP 1984 → SP 1992 → TMC 1998**.
- 8. India has a **multi-party** system, not a classic two-party system. After the Congress-system decades, **1967** brought large state coalitions; **1989–2014** was a long coalition era at the Centre; **2014** returned a single-party majority; **2024** again produced an **NDA coalition** with the BJP on **240** seats.
- 9. A **hung** House means no single party has a majority. A **coalition** means two or more parties govern together. A hung House (त्रिशंकु सदन) may still produce a coalition.
- 10. After *Bommai*, majority is tested on the **House floor**, not by Raj Bhavan arithmetic alone. The President or Governor invites whoever can command confidence.
- 11. Sarkaria (सरकारिया आयोग)'s invite order for a hung House is: **pre-poll alliance → largest single party → post-poll alliance**, then a floor test.
- 12. A **political party** contests elections and seeks office. A **pressure group** (दबाव समूह) usually does not contest and seeks to **influence** policy. An **interest group** (हित समूह) becomes a pressure group when it presses the State.
- 13. The first trade union in India is commonly locked as the **Madras Labour Union (1918)**. **AITUC** (एटक) was formed in **1920** with Lala Lajpat Rai (लाला लाजपत राय) as president and is linked to the **CPI**.
- 14. **INTUC** (इंटक) (**1947**) is linked to the **Congress** (कांग्रेस). **BMS** (बीएमएस) (**1955**) is linked to the **BJP/RSS**. **CITU** (सीटू) (**1970**) is linked to the **CPI(M)**. **UTUC** (यूटीयूसी) (**1949**) is linked to the **RSP**.
- 15. The right to **form** associations and unions is under Article **19(1)(c)**. The right to **strike** is **not** a Fundamental Right.
- 16. Indian party-system features often tested are multi-party competition, weak ideology, dynasty politics, regionalisation after **1967**, weak inner-party democracy, and extra-constitutional origin of parties.
- 17. National parties get an all-India reserved symbol (आरक्षित प्रतीक). State parties get a reserved symbol **only in that State**.
- 18. Electoral bonds were struck down in **February 2024** (*Association for Democratic Reforms*). Party funding transparency remains a live neighbour to registration and recognition.
- 19. Pressure groups include business associations, farmer bodies, trade unions, and professional lobbies. They work through persuasion, media, litigation, and access — not through forming the ministry.
- 20. Do not confuse **AITUC (CPI)** with **CITU (CPI-M)**, or **INTUC (Congress)** with **BMS (BJP/RSS)**.
- 21. Recognition criteria use **votes share and seats**, not merely “old party” or “famous leader.” A registered party without recognition remains a RUPP with a free symbol (मुक्त प्रतीक).
- 22. Coalition governments rest on a common programme and support arithmetic. Withdrawal of support can trigger a floor test and possible change of government.
- 23. In Uttar Pradesh (उत्तर प्रदेश), party founding years for **BSP** and **SP**, and union–party match lists, are high-yield. Keep the national roster and the UP regional set separate.
- 24. The Tenth Schedule punishes defection; it does not itself create the Election Commission (निर्वाचन आयोग)'s recognition rules. Registration, recognition, and defection are three different tools.
- 25. A hung Assembly does not automatically mean President’s Rule. The constitutional path is invitation based on likely majority, then floor test; Article **356** is a last resort, not the first step.
- 26. Multi-party democracy can still produce stable majorities. “Multi-party” describes the system type; it does not mean every election must end in a coalition.

Statutory Criteria for Recognition (Election Symbols Order, 1968)

A party registered under **Section 29A of RPA 1951** is initially a *Registered Unrecognised Political Party (RUPP)*. It gains **recognition** solely by meeting performance thresholds in general elections:

1. Conditions for Recognition as a NATIONAL PARTY (राष्ट्रीय दल)

(A party must fulfill ANY ONE of the following 3 conditions): 1. **Votes + Seats Route**: Polling at least **6% of total valid votes** in **4 or more States** in a Lok Sabha or State Assembly election, **AND** winning at least **4 seats in the Lok Sabha** from any State or States. 2. **Lok Sabha Seats Route**: Winning at least **2% of total seats in the Lok Sabha** (i.e., $543 \times 2\% = \lceil 11 \rceil$ seats), and these elected members must represent **at least 3 different States**. 3. **Multi-State Recognition Route**: Being recognized as a **State Party in at least 4 States**.

(Current 6 National Parties in 2024–26: *BJP, INC, BSP, CPI(M), AAP, NPP*; *CPI, TMC, and NCP* lost national status in April 2023).

2. Conditions for Recognition as a STATE PARTY (राज्य / क्षेत्रीय दल)

(A party must fulfill ANY ONE of the following 5 conditions in the concerned State): 1. **6% Votes + 2 MLAs**: Polling at least **6% of valid votes** in the State Assembly election **AND** winning at least **2 Assembly seats (MLAs)**. 2. **6% Votes + 1 MP**: Polling at least **6% of valid votes** in the State during a Lok Sabha election **AND** winning at least **1 Lok Sabha seat (MP)** from that State. 3. **3% Seats or 3 MLAs**: Winning at least **3% of the total Assembly seats** or **3 seats in the Legislative Assembly**, whichever is higher. 4. 1

MP per 25 LS Seats: Winning at least **1 Lok Sabha seat for every 25 seats** allotted to that State (or any fraction thereof). 5. **8% Vote-Share Alone (2011 Rule):** Polling at least **8% of the total valid votes** in the State in an Assembly or Lok Sabha election, **even if it wins ZERO seats**.

Eligible groups include Scheduled Tribes and Other Traditional Forest Dwellers with a **75-year** occupation test as on **13 December 2005**. Individual rights are capped around **4 hectares**. The nodal ministry is **Tribal Affairs**.
- The Protection of Human Rights Act **1993** has a **one-year** limitation for complaints. After the **2019** change, the NHRC (राष्ट्रीय मानव अधिकार आयोग) Chair must be a **retired Supreme Court judge**. NHRC recommendations are **recommendatory**.

- The Whistle Blowers Protection Act **2014** makes identity revelation an offence for disclosures about a **public authority**. It is **not** the same as RTI, Lokpal (लोकपाल), or the PIDPI resolution.
- PESA 1996** (पेसा) (notified **24 December**) extends Part IX (भाग IX) to **Fifth Schedule** (5वीं अनुसूची) areas in **ten** States. It strengthens Gram Sabha control over land, minor forest produce, minerals, and intoxicants. It does **not** apply where there is no Fifth Schedule area.
- The SC/ST (Prevention of Atrocities) Act **1989** (in force **30 January 1990**) uses exclusive special courts (strengthened **2015**). Anticipatory bail bar under sections **18 / 18A** was restored in **2018**.

- The four (चातुर्थी) Labour Codes are **Wages (2019)** plus **IR, OSH, and Social Security (2020)**. The Wages Code merges minimum wages, payment of wages, bonus, and equal remuneration. It does **not** swallow the old Contract Labour Act as a one-line synonym.
- RPA 1950** covers electoral rolls and seat allocation. **RPA 1951** covers conduct of elections, election petitions, and party registration under section **29A**.
- E-governance modes are **G2C (जी2सी)**, **G2B, G2G (जी2जी)**, and **G2E**. NeGP (**2006**) grew into Digital India's **e-Kranti** pillar. ICT should **cut cost** and **raise citizen input**, not increase red tape.
- Citizen Charters began in the UK (**1991**, John Major). India's Action Plan is **1997** (DARPG). A charter is a **promise document**, not a justiciable Union statute. Right-to-service laws (Madhya Pradesh **2010**, UP Janhit Guarantee **2011**) are **State statutes** with officer liability.
- Good Governance Day is **25 December** (Atal Bihari Vajpayee) from **2014**. UNDP (यूएनडीपी)'s eight principles and the World Bank's 1990s framing are the usual theory facts.

- Sevottam** (**2006**, DARPG) has three modules: Citizen Charter, Grievance Redress, and Capability Building. It uses the Charter; it is not merely another name for the Charter.
- Digital India launched on **1 July 2015** under **MeitY**, with three vision areas and **nine** pillars. **e-Kranti** is pillar **5**. Neighbours include UMANG (**2017**), DigiLocker, BharatNet, CSCs, GeM (**2016**), and MyGov (**2014**).
- Mission Karmayogi (**NPCSCB, 2 September 2020**) uses iGOT, the Capacity Building Commission (**2021**), and Karmayogi Bharat SPV. **Adi Karmayogi (2025)** is a **Ministry of Tribal Affairs** drive — **not** the DoPT Mission Karmayogi programme.
- Civil-service neutrality rests on anonymity, permanence, and non-partisanship under the CCS (सुरक्षा कैबिनेट समिति) Conduct Rules **1964**. It is **not** the same as a "committed bureaucracy" slogan.
- A **Code of Conduct** is enforceable rules (CCS **1964**). A **Code of Ethics** (नैतिक संहिता) is values (Nolan seven principles; Second ARC fourth report). Do not swap them.
- Lateral entry (from **2018**) brings specialists at Joint Secretary level on short contracts through DoPT/UPSC (संघ लोक सेवा आयोग). It supplements, and does not replace, the civil services examination stream.
- The **Second ARC** (Veerappa Moily, **2005–09**) issued **15** reports. Report **4** is Ethics; **11** is e-Governance; **12** is citizen-centric administration / Sevottam. The **First ARC** (Morarji Desai (आमिल), then Hanumanthaiah, **1966–70**) issued **20** reports and recommended a Lokpal.
- PRAGATI** (प्रगति) (**25 March 2015**) is a PMO ICT review platform. It is **not** a Digital India pillar. **CPGRAMS** (सीपीजीआरएएमएस) (DARPG) is not the same as the older Cabinet Secretariat **DPG** (लोक शिकायत निदेशालय) window (**1988**).
- ECO Mark (**1991**) is an **environment** (पर्यावरण) label for products. Do not treat it as a consumer-forum hierarchy fact under CPA 2019.
- POSH **2013** is workplace sexual harassment (Internal Committee if **ten or more** workers). POCSO **2012** is child sexual offences under **eighteen**. Keep the two Acts apart.
- The Environment (Protection) Act **1986** is the umbrella environment statute. The National Green Tribunal Act **2010** creates the green tribunal. Match the year to the institution, not the slogan.

Topic 20 — Internal Security

Consolidated — 30 Must-Score Facts

- 1. Police and public order are **State List** (राज्य सूची) subjects. The Union still has a duty under Article **355** to protect States against external aggression and internal disturbance. The **Ministry of Home Affairs** is the internal-security nodal ministry.
- 2. The Army (सेना), Navy, Air Force, and Coast Guard (तटरक्षक बल) sit under the **Ministry of Defence**. CAPFs sit under **Home**. Do not put Coast Guard in the CAPF list.
- 3. The **Intelligence Bureau (1887)** is India's internal intelligence agency under **MHA**. The Multi-Agency Centre sits with the IB. **NATGRID** is also under MHA.
- 4. **RAW** was formed on **21 September 1968** under **R.N. Kao**. It handles **external** intelligence and reports through the **Cabinet Secretariat / NSA** line — **not** MHA.
- 5. The **NIA** was created by the NIA Act **2008** after 26/11. It investigates scheduled offences **without** State consent (unlike CBI under DSPE section **6**). The **2019** amendment strengthened extra-territorial reach.
- 6. India's Interpol National Central Bureau is the **CBI**. **BHARATPOL** is the CBI-linked Interpol channel — not a separate CAPF.
- 7. The **National Security Council (1998)** is chaired by the **Prime Minister**. The first NSA was **Brajesh Mishra**. NSC's Strategic Policy Group is **not** the Special Protection Group.
- 8. The **Cabinet Committee on Security** is a Cabinet committee. The **NSC** is an extra-constitutional security council. Do not treat them as one body.
- 9. The **Special Protection Group Act 1988** protects the Prime Minister (and, after **2019**, the PM's family, with ex-PM cover for **five years**). It is close protection — not the NSC's Strategic Policy Group.
- 10. The **NSG** ("Black Cats") was raised after **1984** and given a statute in **1986**. It has SAG (Army) and SRG (CAPF) components, trains at Manesar, and works under MHA.
- 11. CAPFs under MHA include **CRPF (1939)**, **BSF (1 December 1965)** for Pakistan and Bangladesh borders, **CISF (1969)** for industry/airports, **ITBP (1962)** for the China / LAC belt, and **SSB (1963/2001)** for Nepal and Bhutan borders.
- 12. **Assam Rifles (1835)** is the oldest central paramilitary force. Administration is with **MHA**; operations are with the **Army**. Its north-east HQ is **Shillong**.
- 13. Coastal security is three-tier: marine police → **Indian Coast Guard** → **Navy**. Coast Guard (**1978**) is **MoD**, not a CAPF.
- 14. **NDRF** is a disaster-response force under the Disaster Management Act **2005**. **RPF** belongs to the Railways. Neither is a classic border CAPF.
- 15. **CERT-In (2004)** is under **MeitY** and draws power from IT Act section **70B**. It handles cyber incident response. **2022** directions require reporting in **six hours** and log retention for **five years**.
- 16. **NCIIPC** (राष्ट्रीय महत्वपूर्ण सूचना अवसंरचना) (section **70A**) protects Critical Information Infrastructure and sits under the **NTRO** line. It is **not** CERT-In.
- 17. **I4C** (MHA, **2018/20**) runs the cybercrime.gov.in ecosystem (पारिस्थितिकी तंत्र) and a National Cybercrime Training Centre. That training centre is **not** the never-born counter-terror **NCTC** (एनसीटीसी).
- 18. Proposed **NCTC** (counter-terror) was **never** stood up. **MAC (2001)** lives inside the IB and is the working multi-agency coordination fact.
- 19. IT Act section **66A** was struck down in **2015**. Section **66F** covers cyber-terrorism. Sections **69 / 69A** cover interception and blocking. India's National Cyber Security Policy is **2013** (MeitY). India is **not** a party to the Budapest Convention.
- 20. **UAPA 1967** is the living anti-terror criminal statute. **POTA** was repealed in **2004** and its teeth largely folded into UAPA. After **2019**, individuals can be designated terrorists (Fourth Schedule). Bail is hard under section **43D(5)**.
- 21. **NSA 1980** (रासुका) is a **preventive detention** law (Article **22** track). UAPA is a **criminal trial** statute often used with the NIA. Do not swap them.
- 22. **AFSPA 1958** (अफ़सा 1958) applies in a notified **disturbed area** in the north-east. Section **3** notifies; section **4** gives fire/arrest/search powers; section **6** needs Central sanction for prosecution. Jammu & Kashmir uses a **separate 1990** AFSPA statute.
- 23. AFSPA was lifted from Tripura (**2015**), Meghalaya (मैघालय), and large parts of Assam (**2022**). It still applies in parts of Nagaland, Manipur, Arunachal Pradesh, and under the J&K Act.
- 24. The Jeevan Reddy Committee (**2005**) recommended repeal of AFSPA; that recommendation was **not** enacted. **NPMHR (1997)** upheld AFSPA with limits. Fake encounters are not a licence under later rulings.
- 25. **Left-Wing Extremism (LWE / Naxal)** is fought mainly by **State police** plus **CRPF / CoBRA**, with State units such as Chhattisgarh's **DRG** (Maharashtra's comparable unit is often **C-60**). MHA's **SAMADHAN (2017)** is the LWE strategy acronym — not a new CAPF. In April **2024**, the high-yield district fact is **Kanker (Chhattisgarh)**, not Gadchiroli.
- 26. The Defence Cyber Agency (**2019**) is under **MoD**. Cyber Swachhta Kendra sits with CERT-In. Keep ministry lines clear when matching institutions.
- 27. India's nuclear and cyber neighbours in this chapter are policy facts: strategic forces under Defence, cyber civilian response under MeitY, cybercrime under MHA, and critical infrastructure under NCIIPC/NTRO.
- 28. **TADA (1985–95)** lapsed. **POTA (2002)** was repealed. The living central terror-trial tool for scheduled offences is **UAPA**, often with **NIA**.
- 29. CRPF is the main internal mobile force (including RAF and CoBRA for LWE). BSF holds the western and eastern international land borders. CISF holds static industry and airport security. Do not swap roles.
- 30. Emergency Articles **352, 356, and 360** are constitutional emergency tools. Internal security day-to-day work still runs through police, CAPFs, intelligence, and special statutes — not only through Emergency proclamations.

Topic 21 — International Relations

Consolidated — 33 Must-Score Facts

- 1. India's foreign policy rests on **independent judgment** — historically called non-alignment and later strategic autonomy. It is **not** isolation and was **not** joining a US or USSR military camp in the Cold War textbook sense.
- 2. **Panchsheel** was signed on **29 April 1954** in the India–China Tibet trade (पञ्चावधि) agreement. The five principles are mutual respect for sovereignty, non-aggression, non-interference, equality and mutual benefit, and peaceful coexistence.
- 3. **Bandung 1955** echoed the same five principles at the Afro-Asian conference. Panchsheel is the India–China five; Bandung is the wider conference that used them.
- 4. **Non-alignment** is a **policy**. **NAM** is a **movement**, founded at **Belgrade 1961** by Nehru (नेहरू), Nasser, Tito (with Sukarno and Nkrumah). India hosted the **7th Summit** in Delhi (**1983**). NAM is **not** a military alliance and is **not** NATO.
- 5. The UN Security Council has **15** members: **P5** (China, France, Russia, UK, USA) plus **10** elected for **two** years. A P5 **veto** blocks substantive drafts. India has been elected **eight** times; the last term was **2021–22**.
- 6. The **G4** (India, Japan, Germany, Brazil) seek permanent seats. The **Uniting for Consensus** (Coffee Club) group resists easy expansion of permanent membership.
- 7. **NATO** was founded on **4 April 1949** in Washington. Article **5** is collective defence. HQ is **Brussels**. Membership is **32** after Finland (**2023**) and Sweden (**2024**). India is **not** a member.
- 8. **AUKUS** (**2021**) is Australia–UK–US (nuclear submarines). **QUAD** is India–Japan–US–Australia as a **dialogue**. Do not merge AUKUS with QUAD.
- 9. The **Djibouti Code of Conduct** (**2009**, IMO) targets piracy in the Western Indian Ocean and Gulf of Aden. The **Jeddah Amendment** (**January 2017**) widens the focus to broader maritime crime. **ReCAAP** (**2006**, Singapore) is the Asian piracy neighbour — not the same instrument.
- 10. Look East (**1991**, Narasimha Rao) became **Act East** (**2014**). **SAGAR** (**2015**) frames Indian Ocean outreach. **Neighbourhood First** and **Gujral Doctrine** (**1996**, non-reciprocity with smaller neighbours) are core neighbourhood lines.
- 11. Foundational US defence pacts with India include **GSOMIA 2002**, **LEMOA 2016**, **COMCASA 2018**, and **BECA 2020**. The civil nuclear **123 Agreement** and NSG waiver came in **2008**.
- 12. India is **not** a signatory to the **NPT** or **CTBT**. **No First Use** is a national doctrine, not a UN treaty India signed.
- 13. **Uniting for Peace** (GA Resolution **377(V)**, **1950**) lets the General Assembly recommend action if a veto paralyses the Security Council. Abstention is **not** a veto. The PRC replaced the ROC in China's UN seat in **1971**.
- 14. Collective **security** is the UN Chapter **VII** idea. Collective **defence** is NATO Article **5**. Swiss-style neutrality is **not** the same as non-alignment.
- 15. The UN has **six** principal organs: General Assembly, Security Council, ECOSOC, ICJ, Secretariat, and Trusteeship Council (inactive since **1994**). HQ is New York except the **ICJ at The Hague**.
- 16. **Bretton Woods 1944** created the **IMF** and **IBRD (World Bank)**. **Both** have headquarters in **Washington, D.C.** The World Bank is **not** headquartered in New York.
- 17. The **WTO** began in **1995** at Geneva (from GATT **1947**). Core trade facts are **MFN** and **National Treatment**.
- 18. **WHO** is Geneva (**1948**). **UNESCO** is Paris (**1945**). **ILO** is Geneva (**1919**, tripartite). **ICJ** has **15** judges for **nine**-year terms at The Hague. India is **not** a party to the Rome Statute **ICC**.
- 19. **SAARC** has **eight** members (1985 Dhaka; HQ **Kathmandu**) and includes Pakistan and Maldives. **ASEAN** has **ten** members (HQ **Jakarta**); India is **not** a member. **BIMSTEC** has **seven** members (**1997**) and does **not** include Indonesia, Pakistan, China, or Maldives.
- 20. **G20** is **19 + EU + AU (from 2023)**. India held the presidency (प्रेसीडेंसी) in **2022–23**. The New Delhi logo's lotus with **seven** petals stands for **seven continents**. UP G20 venues included Agra, Varanasi, Greater Noida, and Lucknow — **not** Kanpur.
- 21. **BRICS** leaders' summits began in **2009**; South Africa joined around **2010/11**. The **NDB** is in **Shanghai**. The **10th** summit was Johannesburg **2018**. **2024** expansion brought in Egypt, Ethiopia, Iran, and UAE (Saudi Arabia invited).
- 22. The **SCO** grew from the **Shanghai Five** (**1996**) — China, Russia, Kazakhstan, Kyrgyzstan, Tajikistan (**no Uzbekistan** then). Uzbekistan joined at SCO's **2001** birth. India and Pakistan joined in **2017**; Iran in **2023**. RATS is in **Tashkent**; the Secretariat is in **Beijing**.
- 23. **IORA** HQ is in **Mauritius**. The **Commonwealth** has about **56** members with a London base; republics can remain members after **1949**. India is **out** of **APEC** and **OECD**.
- 24. UN Day is **24 October**. The UN has **six** official languages. Vijaya Lakshmi Pandit was UNGA President in **1953**. **UNDP / UNICEF** are programmes, not specialised agencies. **HDI** is a **UNDP** (यूएनडीपी) product, not an IMF product.
- 25. India's WHO Global Centre for Traditional Medicine is at **Jamnagar** (**2022**). The *Jadhav* case is an **ICJ** matter, not an ICC matter.
- 26. SAARC's last summit was Kathmandu **2014**. India walked out of **RCEP** in **November 2019**. India is **not** in the **G7** (guest only).
- 27. **NDB** (BRICS, Shanghai) is not **AIIB** (Beijing, China-led). India is a member of AIIB but NDB is the BRICS bank fact.
- 28. East Asia Summit includes India. Do not confuse EAS membership with ASEAN membership. ASEAN remains a ten-member club without India.
- 29. OIC membership does **not** include India. The League of Nations saw the US Senate refuse membership — a classic US foreign-policy trap.
- 30. **Five Eyes** is US–UK–Canada–Australia–New Zealand intelligence sharing. **CSTO** is Russia-led. **SEATO / CENTO** are dead. Warsaw Pact ended with the Cold War.
- 31. US foreign-policy milestones often asked are Monroe (**1823**), Truman containment (**1947**), NATO (**1949**), Nixon's China opening (**1972**), unipolar moment (**1991**), Pivot to Asia (**2011**), and later America First / AUKUS–Quad framing.
- 32. Connect Central Asia (**2012**) and the **2+2** format with the US, Japan, Australia, and Russia are standard India outreach facts beside Look/Act East and SAGAR.
- 33. **Article 51** (DPSP) directs the State to promote **international peace and security**, just and honourable relations, respect for international law and treaty obligations, and settlement of disputes by arbitration — the constitutional footing for foreign-policy ideals, not a Fundamental Right.

Topic 22 — Constitutional Philosophy

Consolidated — 30 Must-Score Facts

- 1. The Preamble counts are **Justice 3, Liberty 5, Equality 2, and Fraternity 1**. The word **Federal** is **not** in the Preamble. The **42nd** Amendment added **Socialist, Secular, and integrity**.
- 2. **Constitutionalism** means limited government under a higher law. Merely having a written constitution booklet is **not** enough by itself.
- 3. **Constitutional morality** (Ambedkar (अम्बेडकर) in the Constituent Assembly (संविधान सभा)) means fidelity to constitutional norms, not whatever the street calls “morality.” It is **not** the same as “public morality” in Articles **19 / 25**.
- 4. Dicey’s Rule of Law has three limbs: no arbitrary power, equality before law, and (in the UK) rights from ordinary law rather than a special Bill of Rights. India takes the first two (Article **14**, judicial review, Articles **32 / 226**) and **rejects** the third.
- 5. Rule of Law itself is part of the **Basic Structure** (*Indira Gandhi, 1975*). PIL is often treated as a practical path that helps weaker sections reach the courts.
- 6. Article **21**’s text is “**procedure established by law**” (Japan source). The US model is **due process** (5th/14th Amendments). India’s text was never rewritten to say “due process.”
- 7. *A.K. Gopalan (1950)* read Article 21 (अनुच्छेद 21) as any procedure in a valid law, with Fundamental Rights (मौलिक अधिकार) in silos. *Maneka Gandhi (1978)* requires a procedure that is **fair, just, and reasonable**, reading (रीडिंग) Articles **14, 19, and 21** together (the golden triangle).
- 8. After *Maneka*, Article 21 review is both **procedural** and **substantive**. Natural justice (*audi alteram partem, nemo judex*) is poured into Article 21 even though the text still says procedure established by law.
- 9. **Separation of powers** comes from Montesquieu. Vesting lines include Article **53** (executive), **79** (Parliament), and **124** (Supreme Court). The USA is rigid; India is **functional** with **fusion** of executive and legislature (Cabinet in the House).
- 10. *Ram Jawaya Kapur (1955)* rejected American-style rigid separation for India. Article **50** (DPSP (राज्य के नीति निर्देशक तत्व)) separates judiciary from executive in the **public services** only. Separation of powers is Basic Structure.
- 11. **Checks and balances** are the restraining teeth: judicial review, impeachment, no-confidence (अविश्वास प्रस्ताव), and the rule that ordinances must return to the House. CAG (भारत के नियंत्रक-महालेखापरीक्षक), Election Commission (निर्वाचन आयोग), and UPSC (संघ लोक सेवा आयोग) are constitutional brakes, not “extra-constitutional” toys.
- 12. The UK classic is **Parliamentary sovereignty**. The US *Marbury* line is strong judicial review. India follows **Constitutional supremacy**: the Constitution’s word is last.
- 13. The **24th** Amendment inserted Article **13(4)** so that a **368** amendment is not “law” under Article 13. The **42nd** tried to bar review of amendments through Articles **368(4)/(5)**; *Minerva Mills (1980)* struck that attempt.
- 14. **Judicial review** tests statutes, executive action, and constitutional amendments against the Constitution (including Basic Structure). It is **not** the same claim as “judicial supremacy.”
- 15. A **welfare state** pursues socio-economic goals; a **police state** stops at law and order. Article **38** (with **38(2)** via the 44th) and Part **IV** are the main welfare instruments. Article **37** makes DPSPs fundamental in governance though not directly enforceable.
- 16. High-yield DPSP facts include Article **40** (panchayats), **44** (UCC), **45** (early childhood), **47** (prohibition (प्रतिषेध)), **48** (cattle), and **48A** (environment (पर्यावरण)).
- 17. **Socialism** was named in the Preamble by the **42nd**, but Part IV already carried socialist content. Indian socialism is **democratic / mixed-economy**, not a USSR one-party textbook model. The **1991** reforms did not delete the Preamble word.
- 18. **Secularism** was named by the **42nd**, but Articles **25–28** already operated from 1950. Indian secularism is **positive** — equal respect, with Article **25(2)** reform power. *Bommai (1994)* treats secularism as Basic Structure. It is not theocracy and not a hard US “wall.”
- 19. **Democracy** means rule by the people with universal adult franchise and free and fair elections (Basic Structure). A **republic** means an **elected** Head of State (Article **54**), not a hereditary monarch. The UK can be a democracy without being a republic.
- 20. Preamble **Justice** is social, economic, and political. Social maps to Articles **15 / 17**; economic to Article **39**; political to Article **326**.
- 21. Preamble **Liberty** is five words: thought, expression, belief, faith, and worship. It is **not** the same list as Article **19**’s six freedoms, and it is **not** “liberty of person” under Article **21**.
- 22. Preamble **Equality** is equality of **status** and of **opportunity**. Status links to Articles **14 / 15 / 17**; opportunity links to Article **16**.
- 23. **Fraternity** assures dignity of the individual and the unity and integrity of the nation. Ambedkar warned that without fraternity, liberty and equality stay incomplete. The **42nd** added **integrity**. Duties in Article **51A(c)/(e)** echo the theme.
- 24. **Political sovereignty** rests with the people (“We, the People”). **Legal sovereignty** in India rests with the **Constitution**, which is why India is not a Dicey-UK parliamentary-sovereignty state.
- 25. **Sovereign** in the Preamble covers both internal supremacy and external independence. It is the first word in the SSSDR chain.
- 26. The French triad is Liberty, Equality, Fraternity. India prefixes **Justice** and keeps the three. Secular character was already in Basic Structure discussion before *Bommai* applied it to Article **356**.
- 27. Constituent power under Article **368** is not ordinary legislative power under Article **245**. Even Article 368 (अनुच्छेद 368) remains under the Basic Structure ceiling.
- 28. After *Maneka*, Article **21** has been read to include livelihood, privacy, health, shelter, and dignity. Privacy was treated as a Fundamental Right in *Puttaswamy (2017)*.
- 29. Indian secularism is often summarised as **Sarva Dharma Sambhava** / equal respect — not a US establishment-clause wall and not State indifference to reform needs.
- 30. Rule by law (ruler uses statutes as a whip) is the trap opposite of Rule of Law (law binds the ruler too). Mark the second.

Topic 23 — Constitutional & Legal Offices

Consolidated — 30 Must-Score Facts

- 1. The **Attorney General** (महान्यायवादी) (Article **76**) is the Union’s first law officer. Qualification matches a **Supreme Court judge**. Tenure is during the **pleasure of the President**. Removal is **not** by judge-impeachment.
- 2. Under Article **88**, the Attorney General may speak in **both** Houses and their committees but has **no vote**. Private practice is allowed except against the Government of India or in a matter already advised on.
- 3. The Attorney General’s oath is **not** a Third Schedule form. Pay is fixed by the President and is **not** a Second Schedule charged office like the CAG. The first AG was **M.C. Setalvad**.
- 4. The **Solicitor General** is **not** in the Constitution. The SG assists the AG, has **no** Article **88** right by that office, and is regulated by executive / Law Officers rules.
- 5. The **Advocate General** (महाधिवक्ता) (Article **165**) is the State’s first law officer. Qualification matches a **High Court judge**. Appointment and pleasure are of the **Governor**. Article **177** allows speaking in the State House(s) without a vote.
- 6. There is **no** office called “Advocate General of India.” Do not invent a Union AdvG.
- 7. The **CAG** (Articles **148–151**) is appointed by the President for **six years or age 65**, whichever is earlier. Removal is **like a Supreme Court judge**. Article **148(4)** bars further Union or State office after leaving the post.
- 8. The CAG takes a **Third Schedule** oath before the President. Salary is in the **Second Schedule** and charged. Union reports go President → Parliament; State reports go Governor → Legislature (Article **151**).
- 9. The Indian CAG audits **after** expenditure. The classic UK Comptroller could **block** payment first. The Public Accounts Committee examines CAG reports. An **Accountant General** is the CAG’s field officer — not the Advocate General.
- 10. The Third Schedule covers ministers, House candidates/members, Supreme Court and High Court judges, and the CAG. It does **not** cover the President, Vice-President, Governor, AG, SG, Advocate General, or CEC.
- 11. The **Chief Election Commissioner** is appointed by the President. Under the **2023** Act, selection is by the Prime Minister, Lok Sabha (लोकसभा) Leader of Opposition, and a Cabinet Minister. The **CJI is not** on this panel (unlike the Lokpal (लोकपाल) panel).
- 12. CEC tenure is **six years or age 65**. The CEC is removed **like a Supreme Court judge**. Other Election Commissioners and Regional Commissioners are removed only on the **CEC’s recommendation**. Votes are equal; removal protection is not.
- 13. The first CEC was **Sukumar Sen**. The first woman CEC was **V.S. Ramadevi (1990)**. An Election Commissioner may become CEC, with combined service capped at six years.
- 14. The **UPSC** (संघ लोक सेवा आयोग) Chairman is appointed by the President for **six years or age 65**. Removal under Article **317** follows a Supreme Court inquiry path. Under Article **319**, a UPSC Chair may take **no** further Union or State office.
- 15. A **State PSC** Chair is **appointed by the Governor** but **removed by the President** (after Supreme Court inquiry on misbehaviour). Extension of SPSC functions under Article **321** is by the **State Legislature**. A Joint PSC needs **Parliament** if the States request it.
- 16. UPPSC headquarters is **Prayagraj** (प्रयागराज). Do not confuse UPPSC with UPSC (Delhi) or with the State Election Commission (निर्वाचन आयोग).
- 17. The **Chief Justice of India** retires at **65**, takes oath before the **President**, and resigns to the **President**. Appointment convention is seniority (broken in **1973** and **1977**). If President and Vice-President are both vacant, the CJI can act as President and then takes the Article **60** oath.
- 18. The Supreme Court Collegium is **CJI + four** (चातुर्गम). The High Court Collegium is **CJI + two**. The **99th** Amendment’s NJAC was struck on **16 October 2015**.
- 19. A High Court Chief Justice retires at **62**, takes oath before the **Governor**, and resigns to the **President**. Article **223** covers an acting Chief Justice. Outsider Chief Justices are a convention, not a constitutional bar.
- 20. Resignation facts: Supreme Court / High Court judges, CJI, High Court CJ, CAG, CEC, and UPSC resign to the **President**. An SPSC member or Advocate General resigns to the **Governor**. High Court **oath** (Governor) is not the same as High Court **resignation** (President).
- 21. The President resigns to the **Vice-President** (Article **56**). The Vice-President resigns to the **President** (Article **67**). A Governor resigns to the **President** (Article **156**). The Lok Sabha Speaker resigns to the **Deputy Speaker** (Article **94**), **not** to the President.
- 22. Article **319** rows: UPSC Chair = total further-office bar; UPSC member may become UPSC Chair or an SPSC Chair; SPSC Chair may become UPSC Chair or another SPSC Chair.
- 23. The State Election Commission under Article **243K** is **not** the Election Commission under Article **324**. Local-body polls are SEC; Parliament and State legislature polls are ECI.
- 24. A 2024 trap mixes Article **324** (ECI) with Article **165** (Advocate General). Keep the numbers with the offices.
- 25. AG and Advocate General hold office during **pleasure**. CAG and judges have hard removal paths. Pleasure is not impeachment.
- 26. Contempt motions under Contempt of Courts Act section **15** may need AG/SG consent in some criminal-contempt paths. That consent power does **not** make the law officer a judge.
- 27. Regional Commissioners under Article **324** share the “removal only on CEC recommendation” fact with other Election Commissioners.
- 28. CAG form of accounts advice sits in Article **150**. Do not invent a separate “Advocate General of accounts.”
- 29. Solicitor General has no Article **88** speaking right by constitutional text. If the SG appears in Parliament contexts, that is not the AG’s Article 88 status.
- 30. Study every office on six axes: appointment, removal, qualification, tenure, oath, and resign-to-whom. One missing axis is the usual prelims trap.

Topic 24 — Important Supreme Court Judgments

Consolidated — 32 Must-Score Facts

- 1. A.K. Gopalan (1950) held that Article 21 is satisfied by any procedure (प्रक्रिया) in a valid law and read Fundamental Rights (मौलिक अधिकार) in silos. Maneka Gandhi (1978) requires a **fair, just, and reasonable** procedure and reads Articles 14, 19, and 21 together.
- 2. ADM Jabalpur (1976) held that habeas corpus (बन्दी प्रत्यक्षीकरण) fails if Article 21 (अनुच्छेद 21) is suspended in Emergency; Justice Khanna dissented. The 44th (44वां संशोधन) Amendment (44वां संशोधन) later blocked suspension of Articles 20 and 21. Puttaswamy (2017) said the Jabalpur majority was wrong.
- 3. Shankari Prasad (1951) upheld the First Amendment and said Article 368 can amend Fundamental Rights. Sajjan Singh (1965) upheld the Seventeenth Amendment; Mudholkar hinted at “basic features.”
- 4. Golaknath (1967, 11-judge, 6:5) held that Fundamental Rights **cannot** be amended, with prospective overruling. It is **not** the Basic Structure case.
- 5. The 24th Amendment (1971) inserted Article 13(4) so a 368 amendment is not “law” under Article 13. It came **before** Kesavananda.
- 6. Kesavananda Bharati (24 April 1973, 13-judge, 7:6) held that Parliament **can** amend Fundamental Rights but **cannot** destroy the **Basic Structure**. This is the Basic Structure fact.
- 7. The four-case amendment order is 1951 → 1965 → 1967 → 1973 (Shankari → Sajjan → Golaknath → Kesavananda).
- 8. Indira Nehru Gandhi (1975) struck the Thirty-ninth Amendment’s Article 329A(4)/(5) election-shield clauses and added Rule of Law / free-fair elections themes to Basic Structure talk.
- 9. Minerva Mills (1980) struck the Forty-second Amendment’s Articles 368(4)/(5) and kept Article 31C limited to Article 39(b)/(c). It locked limited amending power and FR–DPSP (राज्य के नीति निदेशक तत्व) harmony.
- 10. Berubari (1960) held that ceding Indian territory needs a **constitutional amendment**, not an ordinary Act, and then treated the Preamble (प्रस्तावना) as **not** part of the Constitution. Kesavananda later held the Preamble **is** part.
- 11. The **Ninth Schedule** (नौवीं अनुसूची) (First Amendment, 1951) is a list-shield for laws. The **Ninth Amendment** (1960) is the Berubari boundary amendment. Do not swap Schedule and Amendment.
- 12. After 24 April 1973, parking a law in the Ninth Schedule does not save it if it damages Basic Structure (Waman Rao 1981; I.R. Coelho 2007).
- 13. Judges Cases: 1981 First Judges gave executive primacy; 1993 Second Judges created Collegium (CJI + 2); 1998 Third Judges expanded SC Collegium to CJI + 4 and HC to CJI + 2.
- 14. The 99th Amendment’s NJAC was struck on 16 October 2015 (4:1) because judicial independence is Basic Structure. Collegium is judge-made and not written into the original text; NJAC was written and fell.
- 15. S.R. Bommai (1994) made Article 356 justiciable, locked majority to the **floor test**, barred dissolving the Assembly before parliamentary approval, and treated secularism as Basic Structure for misuse of 356.
- 16. Rameshwar Prasad (2006) struck Bihar Assembly dissolution based on a mere fear of horse-trading. Nabam Rebia (2016) held that a Governor cannot scramble the House calendar to help one faction defeat the Speaker.
- 17. Kihoto Hollohan (1992) upheld the Tenth Schedule, struck paragraph 7’s total court ouster, and held that the Speaker’s defection order is judicially reviewable.
- 18. Lily Thomas (2013) struck RPA section 8(4)’s three-month cushion for sitting (बैठक) legislators. A conviction of **two years or more** under section 8(3) brings immediate disqualification.
- 19. Indra Sawhney (1992) upheld 27% OBC (अन्य पिछड़ा वर्ग) reservation, locked a 50% ceiling, excluded the creamy layer, and barred reservation in **promotion**. The 77th Amendment later restored SC/ST promotion via Article 16(4A).
- 20. K.S. Puttaswamy (2017, nine judges) held that **privacy** is a Fundamental Right under Article 21.
- 21. Shreya Singhal (2015) struck IT Act section 66A as vague and as chilling Article 19(1)(a).
- 22. Vishaka (1997) laid workplace sexual-harassment guidelines under Articles 14 / 15 / 19 / 21 until the POSH Act 2013 took over as statute.
- 23. Navtej Singh Johar (2018) held section 377 IPC unconstitutional for consensual adult sex. It is **not** “Article 377” (a transitory CAG (भारत के नियंत्रक-महालेखापरीक्षक) provision).
- 24. Joseph Shine (2018) struck section 497 IPC adultery as a crime. Adultery can still matter as a **civil** matrimonial ground.
- 25. M.C. Mehta Oleum (1986) locked **absolute (निरपेक्ष) liability** for hazardous industry and read a clean environment (पर्यावरण) into Article 21. Absolute liability is stricter than English Rylands strict liability.
- 26. Sikri’s early Basic Structure list included constitutional supremacy, republican and democratic form, secular character, separation of powers, and federal character. Later cases added Rule of Law, judicial review, free and fair elections, limited amending power, FR–DPSP harmony, and judicial independence.
- 27. Golaknath froze Part III (मौलिक अधिकार); Kesavananda restored amending power with a Basic Structure ceiling. Marking Golaknath as “Basic Structure invented” is the classic trap.
- 28. Emergency rights line: Gopalan → Jabalpur → Maneka / 44th / Puttaswamy. Amendment line: Shankari → Sajjan → Golaknath → 24th → Kesavananda → Indira → Minerva.
- 29. Ninth Schedule review after the Kesavananda date is still open for Basic Structure damage. Pre-cut-off and post-cut-off timing matters in Waman Rao / Coelho questions.
- 30. Collegium versus NJAC is not “which is older in the text.” Collegium is precedent; NJAC was constitutional text and was struck for independence reasons.
- 31. Floor test (Bommai) is the majority fact for Assembly confidence. Raj Bhavan letters and media claims do not replace a House vote.
- 32. Rights-expansion neighbours often tested together are privacy (Puttaswamy), expression online (Shreya Singhal), sexual autonomy (Navtej), gender equality in adultery law (Joseph Shine), and environmental absolute liability (Mehta).

Consolidated — 32 Must-Score Facts

- 1. Uttar Pradesh's **capital** is **Lucknow** (लखनऊ) (Raj Bhavan and Vidhan Bhavan). The High Court's **principal seat** is **Prayagraj** (प्रयागराज). Lucknow hosts a **Bench**, not a second High Court.

- 9. India has **six** bicameral States: Andhra Pradesh, Bihar, Karnataka, Maharashtra, Telangana, and Uttar Pradesh.
- 10. Uttar Pradesh sends **80** Lok Sabha members and **31** Rajya Sabha members — both the largest State contingents. Before Uttarakhand the figures were **85** and **34**.
- 11. Lok Sabha reserved seats from UP are **17 SC and 0 ST**. Rajya Sabha members from UP are elected by the **403** MLAs through STV. UP MLA Presidential-vote value is the highest among States (textbook **208** on the 1971-population formula).
- 12. Allahabad High Court traces to the Indian High Courts Act **1861** and Letters Patent of **17 March 1866** for the North-Western Provinces. It first sat at **Agra (1866)**, moved to Allahabad in **1869**, and took the "at Allahabad" name style in **1919**. First Chief Justice was **Walter Morgan**.
- 13. The Lucknow Bench comes from the United Provinces High Courts (Amalgamation) Order **1948**, merging the Chief Court of Oudh (**1925**). Sanctioned strength is about **160** — the largest High Court. Jurisdiction is UP only; Uttarakhand has the **Nainital** (नैनीताल) High Court from **2000**.
- 14. Allahabad High Court is **not** one of the **1862** Chartered High Courts (Bombay, Calcutta, Madras).
- 15. Official language is **Hindi in Devanagari** (UP Official Language Act **1951**). **Urdu** became the second official language in **1989**. Under Union Official Language (संघ राजभाषा) Rules **1976**, UP is **Region A**.
- 16. Uttarakhand was created by the UP Reorganisation Act **2000** on **9 November 2000** (then named **Uttaranchal**). The rename to **Uttarakhand** (उत्तराखंड) took effect on **1 January 2007**. It was the **27th** State; **13** districts were carved out.

- 18. Uttar Pradesh has **18** Commissioner divisions and **75** districts. Faizabad division was renamed **Ayodhya** (अयोध्या). Devipatan division (HQ **Gonda**) covers Bahraich, Balrampur, Gonda, and Shravasti.
- 19. A common Assembly-strength trap pairs Manipur with **62**; Manipur's Assembly is **60**. UP **403** and Uttarakhand **70** are the correct neighbours in that set.
- 20. **UPPSC** HQ is **Prayagraj** (from **1937**). The Governor appoints; the **President** removes after a Supreme Court path on misbehaviour. Age limit is **62** / six years. Functions are extended by the **UP Legislature** under Article **321**.
- 21. **UPPSC** is not **UPSC** (संघ लोक सेवा आयोग) (Delhi), not **UP SEC** (राज्य निर्वाचन आयोग) (Lucknow), and not the Accountant General.
- 22. The **UP State Election Commission** (Lucknow) works under Articles **243K and 243ZA**. The Governor appoints; removal is like a **High Court judge**. It conducts **Panchayat and urban local body** polls — **not** MLA, MP, or Presidential elections.
- 23. There is no "Panchayati Raj Commission of India" running UP local polls. Local polls are SEC; legislature polls are ECI.
- 24. The **UP State Finance Commission** is constituted by the Governor every **five years** (Article **243I**) and also reviews municipal finances (Article **243Y**). The report goes Governor → both Houses with an action-taken note. It is not the Union Finance Commission (Article **280**).
- 25. The **UP Lokayukta** is under the U.P. Lokayukta and Up-Lokayukta Act **1975**. Appointment involves the Governor after the Chief Justice of Allahabad High Court and the Leader of Opposition. It is statutory, not a criminal court, and not the Union **Lokpal** (लोकपाल) (**2013**). Maharashtra (**1971**) had the first State Lokayukta Act in India.
- 26. Panchayati Raj tiers are Gram Panchayat (**Pradhan**) → **Kshetra Panchayat** (क्षेत्र पंचायत) (**Pramukh**) → Zila Panchayat (**Adhyaksha**). Statutes are the **1947** village Act and the **1961** Kshetra-Zila Act. There are **75** Zila Panchayats.
- 27. Women get **50%** reservation in UP PRIs/ULBs by State law (Constitution's floor remains one-third). Panchayat member age is **21**. Gram Sabha (ग्राम सभा) means **registered voters**, not every resident. Nyaya (न्याय) Panchayat is not a 73rd constitutional tier.

- 29. Urban local bodies are **Nagar Nigam** (Municipal Corporation Act **1959**), **Nagar Palika Parishad**, and **Nagar Panchayat** (नगर पंचायत) (Municipalities Act **1916**). The Mayor (महापौर) is the political head; the **Nagar Ayukt / Commissioner** is the executive.
- 30. Cantonment Boards are under **Defence**, not the 74th municipal track. Development authorities such as **Noida, Greater Noida, and YEIDA** are industrial township exceptions under Article **243Q** — **not** Nagar Nigams.
- 31. Lucknow runs the political executive; Prayagraj runs the High Court and UPPSC. That geography-of-power split is a recurring prelims trap.
- 32. Reorganisation arithmetic (**425/85/34 → 403/80/31**) plus Council **100** and bicameral status are the densest number facts on this sheet.

Constitutional Doctrines

Doctrine	One-liner
Basic Structure	<i>Kesavananda</i> 24 Apr 1973 , 13-judge 7:6 — Parliament may amend any article; cannot destroy basic structure
Eclipse	A pre-1950 law that clashes with a Fundamental Right is not wiped out — it goes dormant . If the FR is later amended so the clash disappears, the old law wakes up (<i>Bhikaji Narain</i>). Post-Constitution laws that clash are simply void , not eclipsed
Severability	If only one clause of an Act is unconstitutional, that clause is struck and the rest of the Act survives if it can stand alone (<i>R.M.D. Chamarbaugwalla</i>)
Waiver	You cannot sign away your Fundamental Rights. They exist for public interest, not as a private bargain (<i>Basheshar Nath</i>)
Pith and substance	To decide whether a law belongs to the Union List or the State List, look at its true character , not at a stray incidental overlap with the other list
Colourable legislation	If the Constitution forbids the legislature to do X, it cannot do X by dressing it up as Y. "What you cannot do directly , you cannot do indirectly "
Territorial nexus	A State tax may reach an extra-territorial fact if a real nexus exists
Repugnancy (254)	On Concurrent List, Union law prevails (President-assented State law can operate in that State until Parliament re-enters)
Occupied field	Once Union occupies a Concurrent field, State law must not collide
Harmonious construction	Read FR and DPSP so both live (<i>Minerva</i> — 31C cannot swallow 14/19 for <i>all</i> DPSP)
Incidental / ancillary	A list-entry carries power reasonably needed to make it work
Prospective overruling	<i>Golaknath</i> — the 1967 rule applied forward , old amendments stood
Pleasure (310)	Union/State civil servants hold office during pleasure — subject to 311
Procedure established by law	Art. 21's words (Japan). <i>Gopalan</i> = any valid procedure; <i>Maneka</i> = fair, just, reasonable. Still not the US due-process clause
Proportionality	Restriction on 19/21 must be suitable, necessary, balanced
Essential religious practices	<i>Shirur Mutt</i> — what is essential to a religion is protected; secular activity is regulable
Constitutional morality	<i>Navtej</i> line — Constitutional values bind even a popular majority
Rule of Law	Dicey: no arbitrary power · equality before law · Constitution (in India, <i>result</i> of rights) as the source. <i>Kesavananda</i> listed it in basic structure
Separation of powers	Not the US wall. Functions are distinct; <i>Kesavananda</i> still treats the doctrine as basic
Checks and balances	Each organ can restrain the others (review, no-confidence (अविश्वास प्रस्ताव), impeachment, Ordinance limits)
Stare decisis	Art. 141 — SC declares the law
Reading (रीडिंग) down	Save a statute by narrowing it rather than striking it
Manifest arbitrariness	A law can fail Art. 14 for being arbitrary (<i>Shayara Bano</i> / triple talaq line)

Oaths & Affirmations

Indrajit Gupta (गुप्ता)	1998	State funding of elections
Anandpur (आनंदपुर) Sahib	1973	Akali: Centre limited to defence, foreign, communications, currency

Chronology PR: BR Mehta **1957** → Ashok Mehta **1977** → GVK Rao **1985** → Singhvi **1986**.

Centre–State polarity, in one sentence each:Rajamannar (TN, 1969) wanted residuary powers with **States, AIS abolished, 356 repealed. Sarkaria** (Union, 1983–88) wanted a **strong Centre, AIS and 356 kept**, and an **Inter-State Council** — which is why the Council that actually appeared in **1990** is tagged Sarkaria. **Punchhi** (2007–10) came **after** that Council already existed; he wanted **localised** 356 and a **time-cap on Art. 201**, not a new ISC.

Trap: ISC = Punchhi. **Sarkaria, 1990**. Trap: 1st FC = Rajamannar. **K.C. Neogy**. Trap: Santhanam = only CVC. There is also a **1963 PRI-finance** Santhanam.

Supreme Court Cases (one-liners)

Year	Case	What was challenged · what the Court held
1950	<i>A.K. Gopalan</i>	Preventive detention under a valid Act. Held: Art. 21 is satisfied by any procedure in a valid law . Arts. 19, 21 and 22 were read separately (“silos”) — not as one liberty code
1951	<i>Shankari Prasad</i>	Was the 1st Amendment (9th Schedule, 15(4)) void as “law” under Art. 13? Held: No . Art. 368 can amend Fundamental Rights
1951	<i>Champakam Dorairajan</i>	Madras caste-based medical admissions vs Arts. 15/29. Held: the quota failed. Directly produced the 1st Amd / Art. 15(4)
1960	<i>Berubari</i> (Art. 143 reference)	Giving the Berubari Union to Pakistan. Held: cession of Indian territory needs a constitutional amendment , not an ordinary Act. Also held (then) that the Preamble is not part of the Constitution — <i>Kesavananda</i> later reversed that bit
1965	<i>Sajjan Singh</i>	17th Amendment (more Acts into the 9th Schedule). Held: valid, same as <i>Shankari</i> . Justice Mudholkar first hinted at “basic features”
1967	<i>Golaknath</i>	11-judge, 6:5 . Held: Fundamental Rights cannot be amended ; a 368 amendment is “law” under 13. Applied prospectively (old amendments stood). This is not the Basic Structure case — that is <i>Kesavananda</i>
1973	<i>Kesavananda Bharati</i>	24 April 1973 , 13-judge, 7:6 . Held: Parliament may amend any article, including FR, but cannot destroy the basic structure . Preamble is part of the Constitution. 24th Amd upheld, with that cap
1975	<i>Indira Nehru Gandhi vs Raj Narain</i>	39th Amd had put the PM’s election beyond court review (329A(4)(5)). Held: that clause struck . Free and fair election is basic structure
1976	<i>ADM Jabalpur (Habeas Corpus case)</i>	During the Emergency, could a detainee ask for habeas if Art. 21 was suspended? Majority: no . Justice H.R. Khanna dissented. <i>Puttaswamy</i> 2017 says the majority was wrong . 44th later locked Arts. 20 and 21 as unsuspendable
1978	<i>Maneka Gandhi</i>	Passport impounded without a fair hearing. Held: the “procedure” in Art. 21 must be fair, just and reasonable . Arts. 14, 19 and 21 are read together . Still not the US due-process clause
1980	<i>Minerva Mills</i>	42nd Amd had said a 368 amendment cannot be questioned in court (368(4)(5)) and had stretched 31C to all DPSP. Held: both struck . 31C survives only for 39(b) and 39(c) . Limited amending power + FR–DPSP harmony = basic structure

Year	Case	What was challenged · what the Court held
1981	<i>Waman Rao</i>	Cut-off for 9th Schedule review = 24 Apr 1973 (<i>Kesavananda</i> date)
1981	First Judges (<i>S.P. Gupta</i>)	On appointing HC/SC judges, “consultation” with the CJI did not mean concurrence. Executive primacy
1992	<i>Indira Sawhney</i> (Mandal)	27% OBC quota in Union services upheld . Ceiling 50% (except extraordinary). Creamy layer of OBCs excluded. No reservation in promotion (77th Amd later restored SC/ST promotion via 16(4A))
1992	<i>Kihoto Hollohan</i>	10th Schedule (anti-defection) valid . But para 7 (total bar on courts) struck . The Speaker’s defection order can be reviewed by a court
1993	Second Judges	“Consultation” = concurrence . SC appointments by a Collegium of CJI + 2 senior-most SC judges
1994	<i>S.R. Bommai</i>	President’s Rule (356) is justiciable . Majority is tested on the floor of the House , not in Raj Bhavan. Do not dissolve the Assembly before Parliament approves 356. Secularism is basic structure, so a communal ministry can justify 356
1997	<i>Vishaka</i>	No statute yet on workplace sexual harassment. Court laid binding guidelines under 14/15/19/21 until Parliament passed the POSH Act, 2013
1998	Third Judges (Art. 143 advice)	SC Collegium enlarged to CJI + 4 . For HC judges: CJI + 2
2006	<i>Rameshwar Prasad</i>	Bihar Assembly dissolved on a mere apprehension of horse-trading, without a floor test. Struck
2007	<i>I.R. Coelho</i>	9-judge. A law put in the 9th Schedule after 24 Apr 1973 can still be struck if it damages basic structure . 9th Schedule is not a “law-free island” after that date
2013	<i>Lily Thomas</i>	RPA s.8(4) gave sitting MPs/MLAs a 3-month cushion after a conviction. Struck . A conviction of 2 years or more (s.8(3)) disqualifies at once
2013	<i>PUCL</i>	Voters must be able to reject all candidates. NOTA button on the EVM. NOTA counts ; it does not elect anyone
2015	<i>Shreya Singhal</i>	IT Act s.66A (arrest for “offensive” online speech) struck as vague and as chilling Art. 19(1)(a)
16 Oct 2015	NJAC (<i>Supreme Court Advocates-on-Record Association</i> , Fourth Judges)	99th Amendment (NJAC) struck 4:1 . Judicial independence is basic structure. Collegium returns ; NJAC text is dead
2016	<i>Nabam Rebia</i>	Arunachal. A Governor cannot advance or summon (अहित करना) a sitting so as to help one faction remove the Speaker
2017	<i>Puttaswamy</i>	9-judge. Privacy is a Fundamental Right inside Art. 21 (and 14/19). <i>Jabalpur</i> majority expressly disapproved
2018	<i>Navtej Johar</i>	Section 377 of the Indian Penal Code — criminalising consensual adult same-sex relations — unconstitutional . This is not Article 377 of the Constitution. Art. 377 is a transitory clause about the Auditor-General / CAG
2018	<i>Joseph Shine</i>	IPC s.497 (adultery as a crime, husband as the only aggrieved person) struck . Adultery can still be a civil ground in matrimonial law
1986	<i>M.C. Mehta</i> (<i>Oleum gas leak</i>)	A hazardous industry owes absolute (निरपेक्ष) liability (no <i>Rylands</i> exceptions). A clean environment is read into Art. 21

Ladder: *Shankari* 1951 → *Sajjan* 1965 → *Golaknath* 1967 → 24th 1971 → *Kesavananda* 1973 → *Indira* 1975 → *Minerva* 1980.

Judges: 1981 executive → 1993 CJI+2 → 1998 CJI+4 → 2015 NJAC dead.
