Indices & Reports

> **Priority A** | Earlier about **7%** as a separate topic Today, ranks often hide inside Economy, Environment, or UP questions.

What to note every time

Ask yourself	Why
Who published it?	NITI, UNDP, WEF, RBI, and so on
What is India's rank or score?	Exact number or band
Who is on top?	Top country or top Indian state
What is left out of the calculation?	Classic trap in HDI-type questions
Any UP angle?	Performer / Aspirant / state rank

High-Yield Indices Foundation Matrix (2025–2026)

> **UPPCS Direct Hit Formula:** Match the Index with the Publishing Body, India's Rank, and the #1 Nation:

Index / Report	Publishing Organisation	India's Rank	Top Performer	High-Yield Note
World Happiness Report 2026	UN SDSN	**116th** (out of 147)	**Finland** (9th year)	Iceland #2, Denmark #3
World Press Freedom Index 2026	Reporters Without Borders (RSF)	**157th**	Norway	Categorised under "Difficult situation"
Global Terrorism Index (GTI 2026)	Institute for Economics & Peace (IEP)	**13th**	**Pakistan** (#1 most affected)	IEP headquarters in Sydney
Corruption Perceptions Index (CPI 2025)	Transparency International (Berlin)	**91st** (out of 182)	Denmark	Released Feb 2026
Energy Transition Index (ETI 2026)	World Economic Forum (WEF)	**70th**	**Sweden**	DR Congo ranked last (120th)
Global Innovation Index (GII 2025)	WIPO	**38th**	Switzerland	Top 40 consistency
Climate Change Performance Index (CCPI 2026)	Germanwatch / NewClimate	**23rd**	No country in Top 3	Released Nov 2025
Asia Power Index 2025	Lowy Institute (Australia)	**3rd**	1st: USA, 2nd: China	Measures power in Indo-Pacific
Asia Manufacturing Index (AMI 2026)	—	**6th**	**China**	Regional manufacturing competitiveness
Global Startup Ecosystem Report 2026	Startup Genome	**Bengaluru (15th)**	Silicon Valley	Beijing is Asia's top AI cluster
Numbeo Crime Index 2026	Numbeo	—	**Abu Dhabi**	Safest city in the world
Scenarios Towards Viksit Bharat and Net Zero	**NITI Aayog** (Feb 2026)	Multi-sectoral Roadmap	—	11 study reports outlining $30T Viksit Bharat by 2047 and Net Zero by 2070.

January 2026

Sampoornata Abhiyan 2.0 and aspirational rankings

What happened NITI Aayog's **Sampoornata Abhiyan 2.0** is not a new global index. It is a drive to improve indicators in aspirational districts and blocks. Still, questions may mix it with ranking language.

Core facts

- Runner: **NITI Aayog**.
- Dates: **28 January to 14 April 2026**.
- Linked programmes: **ADP (112 districts, since 2018)** and **ABP (513 blocks, since 2023)**.
- Full scheme card → Schemes.

No clean new global index release was locked as a must-score card for January in this pass.

February 2026

"Scenarios Towards Viksit Bharat and Net Zero" | NITI Aayog | February 2026

What happened In February 2026, **NITI Aayog** released an 11-volume comprehensive assessment titled **"Scenarios Towards Viksit Bharat and Net Zero"**, representing India's first government-led, multi-sectoral roadmap to simultaneously achieve a developed economy (*Viksit Bharat*) by **2047** and **Net Zero greenhouse gas emissions by 2070**.

Core facts & Prelims Traps - **Publishing Body: NITI Aayog** (Trap: Not Ministry of Environment, MoEFCC, or Ministry of Finance). - **Working Group Architecture:** Developed collaboratively by **10 inter-ministerial working groups**. - **Economic & Decarbonization Targets:** - Projects Indian economy reaching **USD 30 Trillion by 2047**. - Requires cumulative investment of **USD 22.7 trillion by 2070** for green transition. - Shifts India from a consumption-led model to an investment-driven, green-manufacturing economy. - **Key Levers:** Mass electrification, expansion of nuclear and renewable capacity, battery storage, green hydrogen, and circular economy under Mission LiFE.

Multidimensional poverty figure in the Budget speech

What happened In the Budget speech, the Finance Minister said that close to **25 crore** people have come out of multidimensional poverty through years of government programmes.

How to use this

- Treat **25 crore** as a Budget-speech figure.
- When a fresh Multidimensional Poverty Index report is released, separately fact the **publisher** and the exact method.

16th Finance Commission

- Chairperson: **Arvind Panagariya**.
- Report submitted: **17 November 2025**.
- Accepted for use from **2026–27 to 2030–31**.
- About **₹1.4 lakh crore** was provided to states as Finance Commission grants in the FY 2026–27 Budget.

Corruption Perceptions Index (CPI 2025) | February 2026

- **Publisher: Transparency International** (HQ: Berlin, Germany).
- **India's Rank: 91st** among 182 countries/territories.
- **Top Performer: Denmark**.

Energy Transition Index 2026 (ETI 2026)

- **Publisher: World Economic Forum (WEF)**.
- **India's Rank: 70th**.
- **Top 3 Countries: Sweden** (1st), followed by Finland (2nd) and Denmark (3rd).
- **Lowest Rank:** Democratic Republic of the Congo (120th).

UP ranking note

February state compilations said Uttar Pradesh topped a **Deregulation 1.0** national ranking. Keep the claim under UP Special. Add the exact publisher name when you fact an official note.

March 2026

World Happiness Report 2026 | released around 20 March 2026

What happened The **World Happiness Report 2026** ranked countries by how happy people say they feel.

Core facts

- **Finland** stayed at **rank 1** (ninth year in a row in report messaging).
- **India** was placed around **rank 116** in coverage of this edition.
- Revise the publisher family carefully from the report cover when practising Match List.

Global Terrorism Index 2026

- Publisher: **Institute for Economics and Peace (IEP)**.
- **Pakistan** was reported at the top for the first time in this cycle.
- Full card → International.

QS / Hurun style lists (soft)

March compilations also recycled university and rich-list ranks. Add exact top names only when a question pattern needs them.

April 2026

Soft ranking / report month

April was quieter for brand-new global ranks. Keep these ready:

Report	Publisher / top fact	India fact
World Happiness Report 2026	**Finland** #1	About **116**
Global Terrorism Index 2026	**IEP**; Pakistan at top	Revise under International

Census as a data mega-event

Census 2027 Phase 1 is a **national counting exercise**, not a private think-tank index. Still revise: money about **₹11,718 crore**, mascots **Pragati** and **Vikas**, and the two-phase calendar under Schemes.

May 2026

Henley Passport Index 2026

What happened The **Henley Passport Index** ranked passports by visa-free access.

Core facts

- Publisher family: **Henley & Partners** (uses IATA data).
- Top passport in coverage: **Singapore** (about **192** visa-free destinations).
- **India** around **rank 78** (about **56** visa-free destinations).

World Press Freedom Index 2026 | May 2026

What happened Reporters Sans Frontières (**RSF** / Reporters Without Borders) released the 2026 edition of the World Press Freedom Index.

- **Theme**: *"AI Governance in a Global Context: Policy and Regulatory Approaches"*.
- **Top 5**: 1. **United States** (79.13), 2. Finland, 3. Singapore, 4. Denmark, 5. Sweden.
- **India's Standing**: Jumped to **45th position globally** (Score: **54.43**), reflecting accelerated digital public infrastructure deployment.
- **Sub-Rankings**: India ranked **2nd among lower-middle-income countries** (behind Vietnam) and **3rd globally** on domestic market scale and income inequality indicators.

12. Responsible Nations Index (RNI) 2026 | Released 19 January 2026

- **Launch & Publisher**: Launched in New Delhi by former President **Ram Nath Kovind**; published by the **World Intellectual Foundation (WIF)** and developed collaboratively by **WIF, Jawaharlal Nehru University (JNU), and IIM Mumbai**.
- **Framework**: Evaluates 154 countries utilizing World Bank, UN agencies, and World Justice Project datasets to establish an objective, non-Western, non-GDP-centric assessment of national responsibility.
- **Top 5 Nations**: 1. **Singapore** (0.61945) 2. Switzerland (0.58692) 3. Denmark (0.58372) 4. Cyprus (0.57737) 5. Sweden (0.57397)
- **Lowest Ranked**: Afghanistan, North Korea, Yemen, Syria, Central African Republic.
- **India's Standing**: **Ranked 16th globally** (Score: **0.551513**), reflecting strong balanced governance and multilateral responsibility.

13. The Global Risks Report 2026 | Released 14 January 2026

- **Publisher**: **World Economic Forum (WEF)** (21st edition; drawn from Global Risks Perception Survey - GRPS and Executive Opinion Survey - EOS).
- **Core Diagnosis**: The world is entering an *"Age of Competition"* driven by geoeconomic fragmentation, technological warfare, and cascading ecological shocks.
- **Top 5 Global Risks by Severity**:
- **Short-Term (2 Years)**:
    1. Geo-economic confrontation
    2. Misinformation and disinformation
    3. Societal polarization
    4. Extreme weather events
    5. State-based armed conflict
- **Long-Term (10 Years)**:
    1. Extreme weather events
    2. Biodiversity loss and ecosystem collapse
    3. Critical change to Earth systems
    4. Misinformation and disinformation
    5. Adverse outcomes of AI technologies
- **Most Interconnected Global Risk**: **Inequality**.
- **India's Specific Risk Outlook**:
- **#1 Top Risk for India**: **Cybersecurity**.
- Subsequent domestic risks: Income and wealth inequality, Insufficient public services, Economic downturn, State-based armed conflict.

14. Asia Manufacturing Index (AMI) 2026 | Released 12 January 2026

- **Publisher**: **Dezan Shira & Associates** (assesses 11 Asian manufacturing powerhouse economies).
- **Top 6 Standings**: 1. **China** (Strong industrial base and integrated supply chains) 2. **Malaysia** (Policy reforms and investor-friendly environment) 3. **Vietnam** (Export-driven manufacturing growth) 4. **Singapore** (Advanced infrastructure and

innovation) 5. **South Korea** (High-technology manufacturing) 6. **India** (**Ranked 6th**; core identified competitive advantage: *Market size and workforce strength*).

15. The World Inequality Report 2026 | Released December 2025

- **Publisher**: **World Inequality Lab** (3rd edition; edited by **Thomas Piketty** and **Lucas Chancel**).
- **Global Wealth & Income Matrix**:
- Top 10% controls **~75% of global wealth**; bottom 50% owns just **2%**.
- Top 1% owns **37% of global wealth** (more than the combined wealth of the entire bottom 50%).
- The ultra-rich top 0.001% (~60,000 individuals) hold **3 times more wealth than the poorest 50% of the world's population**.
- Women earn only **25% of global labour income** (female labour force participation: 15.7%).
- Climate inequality: Top 10% accounts for **77% of private capital emissions**; richest 1% produces **41% of emissions**; bottom 50% contributes only 3%.
- Systemic wealth drain: Approximately **1% of global GDP flows annually from poorer to richer nations** through unequal financial mechanisms.
- **India's Inequality Metrics**:
- Top 10% captures **58% of national income**; bottom 50% receives just **15%**.
- Richest 10% holds **65% of national wealth**; top 1% controls **40% of total wealth**.
- Average per capita annual income: **€6,200 (PPP)**; average wealth per adult: **€28,000 (PPP)**.

16. Commitment to Development Index (CDI) 2025 | Released 20 November 2025

- **Publisher**: **Center for Global Development (CGD)** (measures policies of major economies supporting poorer nations beyond foreign aid).
- **Top Performers**: 1. **Sweden**, 2. Germany, 3. Norway, 4. Finland, 5. UK.
- **Major Economies Underperforming**: United States ranks 28th; China ranks 34th.
- **India's Standing**: **36th overall** (among 38 evaluated economies); **30th on income-adjusted ranking**.
- **Sectoral Divergence**: India ranks **8th in Environment**, but ranks **38th (last) in both Trade and Development Finance**.

17. UN World Urbanization Prospects 2025 | Released November 2025

- **Publisher**: **UN Department of Economic and Social Affairs (UN DESA)**.
- **World's Most Populous Megacities**: 1. **Jakarta, Indonesia** (**42 million**) 2. **Dhaka, Bangladesh** (**37 million**) 3. **Tokyo, Japan** (**33 million** — dropped from top spot)
- **Asian Mega-Concentration**: **9 of the world's 10 most populous cities** are in Asia: Jakarta, Dhaka, Tokyo, New Delhi, Shanghai, Guangzhou, Manila, Kolkata, and Seoul.

18. Global Hunger Index (GHI) 2025 | October 2025

- **Publishers**: **Concern Worldwide**, **Welthungerhilfe**, and **IFHV** (20th edition).
- **Global Score**: Average score is **18.3** ("Moderate").
- **Four Indicators**: Undernourishment, Child Stunting, Child Wasting, Child Mortality.
- **Bottom-Most Nation**: **Somalia** (worst hunger level globally).
- **Seven Nations in "Alarming" Category**: Burundi, DR Congo, Haiti, Yemen, Madagascar, Somalia, South Sudan.
- **India's Standing**: **Ranked 102nd out of 123 evaluated countries** (Score: **25.8**, Severity: **"Serious"**). Child stunting stands at ~35% and child wasting at 18%.

19. Global Liveability Index 2025 | June 2025

- **Publisher**: **Economist Intelligence Unit (EIU)** (173 cities assessed across stability, healthcare, culture & environment, education, infrastructure).
- **World's Most Liveable City**: **Copenhagen (Denmark)** (Score: **98.0**; perfect 100 in stability, education, infrastructure), terminating Vienna's 3-year streak.
- **Top 5**: 1. Copenhagen (98.0), 2. Vienna (97.1) & Zurich (97.1), 4. Melbourne (97.0), 5. Geneva (96.8).
- **Least Liveable Cities**: 173. Damascus (Syria), 172. Tripoli (Libya), 171. Dhaka (Bangladesh), 170. Karachi (Pakistan), 169. Algiers (Algeria).
- **India's Cities**: Both **New Delhi and Mumbai tied at 141st rank** out of 173 cities.

20. Global Gender Gap Report 2025 | Released 11 June 2025

- **Publisher**: **World Economic Forum (WEF)** (19th edition; 148 economies across 4 dimensions: Economic Participation, Education, Health, Political Empowerment).
- **Top 5 Nations**: 1. **Iceland** (0.926; top for 16th consecutive year), 2. Finland (0.879), 3. Norway (0.863), 4. United Kingdom (0.838), 5. New Zealand (0.827).
- **Bottom 5 Nations**: 148. **Pakistan** (0.567), 147. Sudan (0.570), 146. Chad (0.571), 145. Iran (0.583), 144. Guinea (0.595).
- **India's Standing**: **Ranked 131st out of 148 countries** (Gender Parity Score: **64.4% / 0.644**; fell from 129th in 2024).
- **Weakest Area**: **Political Empowerment** — women in Parliament fell from 14.7% to 13.8%; female ministers fell from 6.5% to 5.6% (steep drop from 2019 high of 30%).
- **South Asia Matrix**: Bangladesh surged to 24th; Bhutan (119), Nepal (125), and Sri Lanka (130) all rank higher than India. Only Maldives (138) and Pakistan (148) rank lower.

21. UN Sustainable Development Report (SDR) 2025 | Released 24 June 2025

- **Publisher**: **UN Sustainable Development Solutions Network (SDSN)** (evaluates 167 nations across 17 SDGs).
- **Global Assessment**: Zero SDGs on track globally for 2030; only ~17% of targets progressing adequately.
- **Top 3 Leaders (SDG Index)**: 1. **Finland** (87.0) 2. **Sweden** (85.7) 3. **Denmark** (85.3) *(19 of top 20 nations are European; China ranks 49th)*.
- **Bottom 3 Nations**: 167. South Sudan (41.6), 166. Central African Republic (45.2), 165. Chad (46.0).
- **India's Standing**: **Ranked 99th out of 167 countries** (Score: **66.95 / ~67.0**). Demonstrates consistent 4-year upward trajectory: 120th (2021) $\rightarrow$ 121st (2022) $\rightarrow$ 112th (2023) $\rightarrow$ 109th (2024) $\rightarrow$ **99th (2025)**.
- **Regional Comparison**: Bhutan (74th), Nepal (85th), Maldives (53rd), and Sri Lanka (93rd) lead India; Bangladesh (114th) and Pakistan (140th) lag behind.

22. G20 Report on Global Inequality | Released November 2025

- **Context & Mandate**: First-ever comprehensive G20 Global Inequality Report commissioned under **South Africa's G20 Presidency**.
- **Panel Leadership**: Prepared by the *G20 Extraordinary Committee of Independent Experts on Global Inequality*, chaired by Nobel laureate **Joseph E. Stiglitz** (key members included Jayati Ghosh, Winnie Byanyima, and Imraan Valodia).
- **Key Findings**:
- ~83% of surveyed nations exhibit severe income inequality (Gini coefficient > 0.4; Gini index originated by Italian statistician Corrado Gini in 1912), encompassing ~90% of global population.
- From 2000 to 2024, the world's richest 1% captured **41% of all newly created wealth**, whereas the bottom 50% accrued just **1%**.
- Proposed the institutional formation of an **International Panel on Inequality (IPI)**, modeled along the lines of the IPCC.
- In India, wealth held by the top 1% surged by ~62% during the period; while consumption-based Gini showed marginal cooling, structural wealth inequality remains severely skewed.

23. Women, Peace and Security (WPS) Index 2025/26

- **Publishers**: **Georgetown Institute for Women, Peace and Security (GIWPS)** and the **Peace Research Institute Oslo (PRIO)** (ranks 181 countries across Inclusion, Justice, and Security).
- **Top 5**: 1. **Denmark** (0.939), 2. Iceland (0.932), 3. Norway (0.924), 4. Sweden (0.924), 5. Finland (0.921).
- **Bottom 5**: 181. Afghanistan (0.279), Yemen, Central African Republic, Syria, Sudan.
- **India's Standing**: **Ranked 131st globally** (Score: **0.607**), reflecting substantial systemic challenges in female workforce participation, safety, and legislative representation.

24. Human Development Report (HDR) 2025 | Released 6 May 2025

- **Publisher**: **United Nations Development Programme (UNDP)**.
- **Report Title**: *"A Matter of Choice: People and Possibilities in the Age of AI"*.
- **Global Pattern**: Global Human Development Index saw its smallest increase since 1990 (excluding the 2020–21 pandemic).
- **Top 5 Nations**: 1. **Iceland** (HDI: **0.972** — #1 globally, up from 3rd) 2. **Norway** and **Switzerland** (tied at **0.970**) 4. **Denmark** (**0.962**) 5. **Germany** and **Sweden** (tied at **0.959**)

- **Lowest Ranked Country**: **South Sudan** (HDI: **0.388** / Rank 193).
- **India's Standing & Trajectory**:
- **Rank**: **130th out of 193 countries** (improved from 133rd in 2022).
- **HDI Value**: **0.685** (up from 0.676; classified under ***"Medium Human Development"***, approaching the $\ge$0.700 threshold for High Human Development).
- **South Asian Order**: China (78th) $\rightarrow$ Sri Lanka (89th) $\rightarrow$ Bhutan (125th) $\rightarrow$ **India & Bangladesh (tied at 130th)** $\rightarrow$ Nepal (145th) $\rightarrow$ Myanmar (150th) $\rightarrow$ Pakistan (168th).
- **Key Structural Pillars for India (1990 to 2023 Long-Term Transformation)**:
  - **Life Expectancy at Birth**: Surged from 58.6 years (1990) to **72.0 years** in 2023 (highest ever recorded in Indian history).
  - **Expected Years of Schooling**: Increased from 8.2 years (1990) to **13.0 years**.
  - **Gross National Income (GNI) Per Capita**: Increased over fourfold from USD 2,167 (1990) to **USD 9,046** in 2023 (2021 PPP).

25. Global Innovation Index (GII) 2025 | Released 16 September 2025

- **Publisher**: **World Intellectual Property Organization (WIPO)** (18th edition, launched in Geneva).
- **Theme**: *"Innovation at a Crossroads"*.
- **Scope**: Assesses **139 economies** using 80 indicators.
- **Top Performers**: 1. **Switzerland** (#1 globally for the **15th consecutive year**; leads in Creative outputs). 2. **Sweden** (#2 globally for 3rd straight year). 3. **United States** (#1 in Corporate R&D investors, 2nd in domestic market, 4th in private credit).
- **China**: Enters the **top 10 for the first time** (leads in Knowledge & Technology outputs; only middle-income economy in top 30).
- Top 10 also includes: Singapore (4th), UK (5th), South Korea (6th), Finland (7th), Netherlands (8th), Germany (9th), Denmark (10th).
- **India's Standing & Sub-Pillars**:
- **Rank**: **38th out of 139 economies** (massive 43-rank ascent from 81st in 2015!).
- **Regional Distinction**: **Ranked 1st among lower-middle-income economies** and **Ranked 1st in Central & Southern Asia**.
- **Input vs Output**: Innovation Inputs rank: **52nd**; Innovation Outputs rank: **32nd** (reflecting high innovation efficiency).
- **Pillar Strengths**: Knowledge & Technology Outputs (**22nd**), Market Sophistication (**38th**).
- **Identified Weaknesses**: Business Sophistication (64th), Infrastructure (61st), Institutions (58th).

26. Henley Passport Index (January 2026 Release)

- **Publisher**: **Henley & Partners** (based on IATA data).
- **Top Passport**: **Singapore** (Rank 1; world's most powerful passport).
- **India's Standing**: **Ranked 80th globally**, granting visa-free / visa-on-arrival entry to **55 destinations**.

27. Global Firepower (GFP) Ranking 2026

- **Publisher**: **Global Firepower**.
- **Top Military Powers**: 1. **United States**, 2. Russia, 3. China.
- **India's Standing**: **Ranked 4th globally**, upholding its established position behind USA, Russia, and China.

28. Climate Risk Index 2026

- **Publisher**: **Germanwatch** (analyzing long-term exposure to extreme weather over a 30-year span).
- **Highest Vulnerability**: Dominica, Myanmar, Honduras.
- **India's Standing**: **Ranked 9th globally** in long-term climate vulnerability.

29. Climate Change Performance Index (CCPI) 2026

- **Publishers**: **Germanwatch**, **NewClimate Institute**, and **Climate Action Network (CAN)**.
- **Top Performers**: **Ranks 1, 2, and 3 remain empty** (no country deemed on track to prevent 1.5°C warming); **Denmark ranks 4th** (highest ranked actual country).
- **India's Standing**: **Ranked 10th globally**, remaining the only G20 member consistently inside the global top 10 for renewable expansion and per-capita energy restraint.

30. National Family Health Survey-6 (NFHS-6) | Factsheets Released 29 May 2026

- **Publishing Authority**: Ministry of Health and Family Welfare (**MoHFW**).
- **Nodal Agency**: **International Institute for Population Sciences (IIPS), Mumbai**.
- **Fieldwork & Sample**: Conducted across **2023–24** surveying **6.79 lakh households** across **715 districts** in all States/UTs.
- *(Critical UPPCS Trap: Fieldwork could NOT be completed in Manipur due to security/law-and-order constraints; Manipur is excluded from the national factsheets).*
- **Demographic & Fertility Indicators**:
- **Total Fertility Rate (TFR)**: **2.0 children per woman** (national average below the replacement level of 2.1; Urban: **1.6**, Rural: **2.1**).
- **Contraceptive Prevalence Rate (CPR)**: **69.1%** (Modern CPR: 58.7%).
- **Institutional Deliveries**: Reached **90.6%** (Rural: 89.2%, Urban: 94.8%).
- **Skilled Birth Attendance**: **91.3%** of births delivered by skilled healthcare personnel.
- **Child Marriage**: Women aged 20–24 married before age 18: **20.1%**; Men aged 25–29 married before age 21: **15.9%**.
- **Teenage Childbearing (15–19 years)**: **6.7%**.
- **Child Health & Nutritional Status (<5 Years)**:
- **Full Immunization Coverage (12–23 months)**: **87.1%**.
- **Rotavirus Vaccine Coverage**: **85.4%**.
- **Stunting (Height-for-Age / Chronic Malnutrition)**: **29.3%** (significant drop from 35.5% in NFHS-5).
- **Wasting (Weight-for-Height / Acute Malnutrition)**: **18.7%**; **Severe Wasting**: **5.2%**.
- **Underweight (Weight-for-Age)**: **31.8%** (down from 32.1%).
- **Women's Socio-Economic Autonomy**:
- **Independent Bank/Savings Account**: **89.0%** of women have and independently use a bank account (up from 78.6% in NFHS-5).
- **Internet Usage**: **64.3%** of women have ever used the internet (Urban: 75.8%, Rural: 57.5%).
- **Mobile Phone Ownership**: **63.6%** of women own and use a mobile phone.
- **Spousal Violence**: Ever-married women reporting physical/sexual violence dropped to **22.3%** (from 29.3%).
- **Demographic Structure & Lifestyles**:
- Population aged **<5 years**: **8.0%** | Aged **<15 years**: **25.5%** | Aged **$\ge$60 years (Elderly)**: **12.9%** (reflecting rapid demographic aging).
- **Health Insurance Coverage**: **60.2%** of households have at least one member covered (up from 41.4%).
- **Overweight or Obese Adults (BMI $\ge$ 25)**: Women **30.7%**, Men **26.8%**.
- **Basic Household Amenities**: Electricity **98.3%**, Improved drinking water **96.5%**, Clean cooking fuel **69.8%**.

31. Sample Registration System (SRS) Bulletin 2024 | Released 20 May 2026

- **Publishing Authority**: **Office of the Registrar General of India (ORGI)**, Ministry of Home Affairs (Reference Year: 2024, Vol 59, No. 1).
- **Crude Birth Rate (CBR)**:
- **National Average**: **18.3 per 1,000 population** (Rural: 20.2, Urban: 14.7).
- **Highest Birth Rate**: **Bihar (26.8)** $\rightarrow$ Uttar Pradesh (24.7) $\rightarrow$ Madhya Pradesh (23.9).
- **Lowest Birth Rate**: **Andaman & Nicobar Islands (9.9)**; among major states: Goa (11.6), Kerala (12.3).
- **Crude Death Rate (CDR)**:
- **National Average**: **6.4 per 1,000 population** (Rural: 6.8, Urban: 5.6; Male: 7.1, Female: 5.6).
- **Highest Death Rate**: **Chhattisgarh (8.4)** $\rightarrow$ Odisha (7.9) $\rightarrow$ Kerala (7.6) $\rightarrow$ Punjab (7.5).
- **Lowest Death Rate**: **Chandigarh (3.9)**; among states: Nagaland (4.2), Mizoram (4.5), Delhi (4.6).
- **Natural Growth Rate (NGR = CBR - CDR)**:
- **National Average**: **11.9 per 1,000 population** (Rural: 13.4, Urban: 9.1).
- **Highest Natural Growth Rate**: **Bihar (20.8)**.
- **Lowest Natural Growth Rate**: **Kerala (3.9)**.
- **Infant Mortality Rate (IMR)**:
- **National Average**: **24 infant deaths per 1,000 live births** (Rural: 27, Urban: 17; Male: 24, Female: 25).

- **Key Structural Ratio**: **1 in every 42 infants in India dies within the first year of life** (in rural areas 1 in 37; in urban areas 1 in 59).
- **Highest IMR**: **Chhattisgarh (36)** $\rightarrow$ Madhya Pradesh (35) $\rightarrow$ Uttar Pradesh (34).
- **Lowest IMR**: **Manipur (2)** $\rightarrow$ Goa (5) $\rightarrow$ Kerala (6) $\rightarrow$ Puducherry (7).

32. Civil Registration System (CRS) Report 2023 | Released 10 October 2025

- **Publishing Authority**: ORGI, Ministry of Home Affairs (under Registration of Births and Deaths Act, 1969 & RBD Amendment Act, 2023; Seventh Schedule Concurrent List Entry 30).
- **Statutory Mandate**: Mandatory reporting of births and deaths within **21 days**.
- **National Birth Registration**:
- **Level of Registration**: **98.4%** across India (institutional births: 74.7%).
- Total registered births: **252.1 lakh** (52.4% male, 47.6% female).
- **21 States/UTs** achieved 100% birth registration.
- **Sex Ratio at Birth (SRB) — CRS 2023 Master Table**:
- **Top States/UTs with Highest SRB**:
  1. **Arunachal Pradesh**: **1,085** females per 1,000 males
  2. **Nagaland**: **1,007**
  3. **Goa**: **973**
  4. **Ladakh**: **972**
  5. **Tripura**: **972**
  6. **Kerala**: **967**
- **Bottom States with Lowest SRB**:
  1. **Jharkhand**: **899** (**Lowest in India!**)
  2. **Bihar**: **900**
  3. **Uttar Pradesh**: **902**
  4. **Telangana**: **906**
  5. **Gujarat**: **908**
  6. **Haryana**: **911**
- **National Death Registration**:
- **Level of Registration**: **97.2%** across India (institutional deaths: 24.0%).
- Total registered deaths: **86.6 lakh** (60.6% male, 39.4% female).
- **19 States/UTs** achieved 100% death registration.

33. Reforming India's R&D Ecosystem 2026 | NITI Aayog, 9 April 2026

- **Release Details**: Released by NITI Aayog Vice Chairman Suman Bery and Dr. V.K. Saraswat.
- **Core Reform Blueprint**: Introduces the **ROPE Framework** (**Removing Obstacles and Promoting Enablers**) to revamp public and private research funding.
- **R&D Landscape Metrics in India**:
- **Gross Expenditure on R&D (GERD)**: Stands at **0.64% of GDP** (national policy vision targets 2.0%).
- **Private Sector Share in GERD**: Only **~36%** in India (compared to >70% in USA, South Korea, Germany).
- **Global Innovation Index (GII) 2025**: India holds **38th rank**.
- **Global IP Filings (WIPO 2024)**: India ranked **4th in Trademark filings, 6th in Patent applications, and 7th in Industrial Design filings**.

34. WEF Energy Transition Index (ETI) 2026 | Released 18 June 2026

- **Publisher**: **World Economic Forum (WEF)** in collaboration with **Accenture**.
- **Report Title**: *"Fostering Effective Energy Transition 2026"*.
- **Scope**: Evaluates **120 countries** across 44 indicators tracking transition readiness and system performance.
- **Top 5 Performers**: 1. **Sweden** (Score: 75.3 — #1 globally) 2. **Finland** (Score: 74.1) 3. **Denmark** (Score: 72.6) 4. **Estonia** (Score: 70.9) 5. **Norway** (Score: 70.5)

- **India's Standing**: **Ranked 70th out of 120 countries** (Score: **54.9**; climbed 2 ranks from 72nd).

35. Performance Grading Index for Districts (PGI-D) 2024–25

- **Publisher**: Department of School Education and Literacy, **Ministry of Education**.
- **Scope**: Assesses **782 districts** nationwide across 600 points and 70 indicators grouped under 6 categories.
- **Grade Distribution (Critical UPPCS Prelims Traps)**:
- **Utkarsh (Score >90%)**: **Zero (0) districts** achieved this grade.
- **Uttam-1 (81–90%)**: **Zero (0) districts** achieved this grade.
- **Uttam-2 (71–80%)**: 16 districts (up from 1).
- **Uttam-3 (61–70%)**: 75 districts (up from 40).
- **Top Districts**: **Diu** (Score: 469 — highest in India), **Kolhapur** (MH: 463), **Barnala** (PB: 461), **Muktsar** (PB: 456).
- **State Showcase**: **Kerala** stood out nationally with **all 14 of its districts placed in Uttam-2 or Uttam-3**.
- **Lowest Scoring Districts**: South West Garo Hills (Meghalaya: 173), West Khasi Hills (176), South Garo Hills (179).

36. State Energy Efficiency Index (SEEI) 2024 | Released by BEE

- **Publishers**: **Bureau of Energy Efficiency (BEE)** with Alliance for an Energy Efficient Economy (**AEEE**).
- **Scope**: 6th edition; evaluates 36 States/UTs across 66 indicators for FY 2023–24.
- **Top Performers by Energy Consumption Group**:
- **Group 1 (>15 MTOE)**: **Maharashtra**
- **Group 2 (5–15 MTOE)**: **Andhra Pradesh**
- **Group 3 (1–5 MTOE)**: **Assam**
- **Group 4 (<1 MTOE)**: **Tripura**
- **National Milestones**: 24 states notified ECBC 2017; 31 states adopted EV policies; Kerala achieved **74% adoption** of solar-powered agricultural pumps.

37. "From Borrowers to Builders: Women and India's Evolving Credit Market" | NITI Aayog (7 April 2026)

- **Publishers**: **NITI Aayog**, Women Entrepreneurship Platform (**WEP**), TransUnion CIBIL, and MicroSave Consulting.
- **Core Findings**:
- Women in India hold a credit portfolio of **₹76 lakh crore**, representing **26% of total system credit** (up from ₹16 lakh crore in 2017).
- Credit penetration among women surged from **19% in 2017 to 36% in 2025**.
- India has approximately **45 crore credit-eligible women**, signaling vast untapped credit growth potential.

38. Fiscal Health Index (FHI) 2026 | NITI Aayog (11 March 2026)

- **Publisher**: **NITI Aayog** (2nd edition; measures fiscal resilience amidst global public debt reaching $102 trillion).
- **Five Pillars**: Quality of Expenditure, Revenue Mobilisation, Fiscal Prudence, Debt Index, Debt Sustainability.
- **Major States Categorisation**:
- **Achievers**: **Odisha, Goa, Jharkhand**.
- **Front-Runners**: **Gujarat, Maharashtra, Chhattisgarh, Telangana, Uttar Pradesh, Karnataka**.
- **Performers**: Madhya Pradesh, Haryana, Bihar (stronger deficit management), Tamil Nadu, Rajasthan.
- **Aspirational / Debt-Stressed**: **Punjab, Kerala, and West Bengal** flagged as the most debt-stressed and interest-burdened States.
- **Himalayan & North-Eastern States**: Achievers: **Arunachal Pradesh, Uttarakhand**.

39. Export Preparedness Index (EPI) 2024 | NITI Aayog (14 January 2026)

- **Publisher**: **NITI Aayog** (4th edition; baseline aligned with $1 trillion merchandise export target by 2030).
- **Four Core Pillars & Weights**: Policy & Governance (**20%**), Export Infrastructure (**20%**), Business Ecosystem (**40%**), Export Performance (**20%**).
- **Large States Ranking**: 1. **Maharashtra** 2. **Tamil Nadu** 3. **Gujarat** 4. **Uttar Pradesh** 5. **Andhra Pradesh**
- **Landlocked Champion**: **Uttar Pradesh ranked #1 among ALL LANDLOCKED STATES in India** (driven by ODOP, multimodal dry ports, expressways).

- **Himalayan / Small States**: 1. **Uttarakhand**, 2. Jammu & Kashmir, 3. Nagaland.

40. Innovators Business Environment Index (IBEI) 2026 | StartupBlink (January 2026)

- **Publisher**: **StartupBlink** (covers 125 countries across 30+ indicators).
- **Top 2 Economies**: 1. **United States**, 2. **Singapore**.
- **India's Standing**: **Ranked 54th globally**; **Ranked #1 in South Asia** and **10th in Asia-Pacific**.

41. Index of Economic Freedom 2026 | The Heritage Foundation (March 2026)

- **Publisher**: **The Heritage Foundation** (Washington, D.C.; 32nd annual edition; assesses 176 countries).
- **Four Policy Pillars**: Rule of Law, Government Size, Regulatory Efficiency, Open Markets.
- **Categories & Top Standings**:
- **Economically Free ($\ge$80)**: Only 4 nations: 1. **Singapore (84.4 — #1 globally)**, 2. **Switzerland (83.7)**, 3. **Ireland (83.3)**, 4. **Australia (80.1)**.
- **Mostly Unfree (50–59.9)**: **India ranks 132nd globally** (Score: **52.5**; grouped with Mexico 92nd, South Africa 100th, Bangladesh 120th, Brazil 134th).
- **Repressed (<50)**: **North Korea (176th / Score: 3.1 — Lowest in the world)**; Pakistan (152nd), China (154th).

42. Global Multidimensional Poverty Index (MPI) 2025 | UNDP & OPHI (17 October 2025)

- **Publishers**: **United Nations Development Programme (UNDP)** and **Oxford Poverty and Human Development Initiative (OPHI)**.
- **Special Dimension**: First-ever integration of **climate hazards** (floods, extreme heat) with multidimensional deprivation data.
- **Global Deprivation Matrix**:
- **1.1 billion people (18.3%)** live in acute multidimensional poverty globally.
- **Over half (584 million) are children under 18**; child poverty rate stands at **27.8%** vs 13.5% for adults.
- **83.5% of poor people reside in rural areas**.
- Sub-Saharan Africa (553 million) and South Asia (402 million) account for **83.2% of all multidimensionally poor individuals**.
- **India's Historic Transformation**:
- Multidimensional poverty in India plummeted from **55.1% in 2005–06 down to 16.4% in 2019–21**.
- Approximately **414 million people moved out of multidimensional poverty** in this 15-year period!
- **MPI Structural Framework (High-Yield UPPCS Theory)**:
- **3 Dimensions**: Health, Education, Standard of Living (each dimension weighted equally at **1/3**).
- **10 Indicators**:
  - Health (1/6 each): Nutrition, Child Mortality.
  - Education (1/6 each): Years of Schooling, School Attendance.
  - Standard of Living (1/18 each): Cooking Fuel, Sanitation, Drinking Water, Electricity, Housing, Assets.
- **Poverty Cut-off**: An individual is considered multidimensionally poor if deprived in **$\ge$ 33.3% (one-third)** of the weighted indicators.

43. India Electric Mobility Index (IEMI) 2024 | NITI Aayog

- **Publishing Body**: **NITI Aayog** (launched to track transport sector decarbonization toward India's Net Zero 2070 goal).
- **Scope & First in World**: World's first comprehensive **sub-national level e-mobility index**, benchmarking all **28 States and 8 Union Territories**.
- **Structural Methodology**: Evaluates **16 core indicators across 3 foundational themes**: 1. *Transport Electrification* 2. *Charging Infrastructure* 3. *EV Research & Innovation*
- **Three Performance Classifications**:
- **Frontrunners (Score: 65–99)**
- **Performers (Score: 50–64)**
- **Aspirants (Score: 0–49)**
- **Key National Scores**:
- **Top Score**: **77** (achieved by Delhi).
- **National Average Score**: **39**.

- **Overall Top Performers Ranking**:
- **Frontrunners**:
  1. **Delhi (Score: 77)** — #1 in India.
  2. **Maharashtra (Score: 68)** — #2 in India.
  3. **Chandigarh (Score: 65)** — #3 in India.
- **Performers**:
  - Karnataka (64)
  - Tamil Nadu (59)
  - Haryana (54)
- **Aspirants (Below 50)**:
  - Odisha (49)
  - Rajasthan (48)
  - Chhattisgarh (48)
- **Lowest-Scoring States/UTs**:
- **Dadra & Nagar Haveli and Daman & Diu**: **12** (lowest in India).
- **Nagaland**: **19**.
- **Jammu & Kashmir**: **20**.
- **Andaman & Nicobar Islands**: **22**.
- **Sikkim**: **23**.

44. IQAir World Air Quality Report 2025 (8th Annual Edition | March 2026)

- **Publisher**: **IQAir** (Swiss air quality technology company; released 24 March 2026; 8th annual edition).
- **Scale of Coverage**: Analyzes PM2.5 concentrations from **9,446 cities across 143 countries, regions, and territories** (a 33% increase in West Asian monitoring coverage including Iran, Syria, Jordan; Burundi, Turkmenistan, Togo excluded due to lack of public data).
- **WHO PM2.5 Annual Guideline (5 µg/m³)**:
- **Only 13 countries/territories** met the WHO annual standard of $\le 5\ \mu\text{g/m}^3$: French Polynesia, Puerto Rico, U.S. Virgin Islands, Barbados, New Caledonia, Iceland, Bermuda, Réunion, Andorra, Australia, Grenada, Panama, and Estonia.
- Globally, **only 14% of cities** met the WHO annual standard (down from 17% in 2024).
- **World's Most Polluted Cities 2025 (by Annual Average PM2.5, $\mu\text{g/m}^3$)**: 1. **Loni, India (Uttar Pradesh)** — **112.5 $\mu\text{g/m}^3$** (#1 Most Polluted City in the World! Located in Ghaziabad district, UP). 2. **Hotan, China** — **109.6 $\mu\text{g/m}^3$**. 3. **Byrnihat, India** — **101.1 $\mu\text{g/m}^3$** (Assam–Meghalaya industrial border). 4. **Delhi, India** — **99.6 $\mu\text{g/m}^3$** (down from 108.3 in 2024). 5. **Faisalabad, Pakistan** — **98.8 $\mu\text{g/m}^3$**.
- **World's Most Polluted Capital Cities 2025**: 1. **New Delhi, India** — **82.2 $\mu\text{g/m}^3$** (#1 Most Polluted Capital in the World). 2. **Dhaka, Bangladesh** — **68.0 $\mu\text{g/m}^3$**. 3. **Dushanbe, Tajikistan** — **57.3 $\mu\text{g/m}^3$**. 4. **N'Djamena, Chad** — **53.6 $\mu\text{g/m}^3$**. 5. **Kinshasa, DR Congo** — **50.2 $\mu\text{g/m}^3$**.
- **World's Most Polluted Countries/Territories 2025**: 1. **Pakistan** — **67.3 $\mu\text{g/m}^3$** (#1 Most Polluted Country). 2. **Bangladesh** — **66.1 $\mu\text{g/m}^3$**. 3. **Tajikistan** — **57.3 $\mu\text{g/m}^3$**. 4. **Chad** — **53.6 $\mu\text{g/m}^3$**. 5. **Democratic Republic of the Congo** — **50.2 $\mu\text{g/m}^3$**. 6. **India** — **48.9 $\mu\text{g/m}^3$** (ranked **6th most polluted country globally**; improved from 50.6 $\mu\text{g/m}^3$ in 2024).

October 2026

Global Hunger Index (GHI) 2024/2026 | October Release

What happened Humanitarian organisations **Concern Worldwide** (Ireland) and **Welthungerhilfe** (Germany) jointly released the **Global Hunger Index (GHI) Report**.

Core facts & India metrics - **Publishers: Welthungerhilfe** and **Concern Worldwide**. - **India Rank: 105th** out of **127 evaluated countries**. - **India GHI Score: 27.3** — placing India in the **"Serious"** hunger severity category (scores between 20.0 and 34.9 are categorized as Serious). - **Four Standardized GHI Indicators:** 1. **Undernourishment: 13.7%** of India's population has insufficient caloric intake. 2. **Child Stunting: 35.5%** of children under 5 years suffer from low height-for-age (chronic undernutrition). 3. **Child**

Wasting: 18.7% of children under 5 years suffer from low weight-for-height (acute undernutrition) — flagged as one of the highest child wasting rates globally. 4. **Child Mortality: 2.9%** under-five mortality rate. - **Regional Comparison:** India is ranked below several South Asian neighbours: Sri Lanka (56th), Nepal (68th), and Bangladesh (84th); but ranks above Pakistan (109th) and Afghanistan (116th).

> **UPPCS GHI Traps**

1. **Publisher Trap:** GHI is published by **Welthungerhilfe & Concern Worldwide**, NOT by FAO, UNICEF, or the World Bank.
2. **Category Trap:** India's category is **"Serious"**, not "Alarming" (scores ≥ 35) or "Moderate" ($10.0–19.9$).

Global Innovation Index (GII) 2024/2026 | WIPO | October 2026

What happened The **World Intellectual Property Organization (WIPO)** published the **Global Innovation Index (GII)** (17th edition), assessing 133 global economies under the theme *"Unlocking the Promise of Social Entrepreneurship"*.

Core rankings & India's performance - **Global Top 3 Economies:** 1. **Switzerland** (Rank #1 for the **14th consecutive year**). 2. **Sweden** (Rank #2). 3. **United States** (Rank #3). - **India's Global Rank: 39th position** out of 133 economies (improving from 40th in 2023 and 81st in 2015) with an overall score of **38.3**. - **India's Key Distinctions:** - **#1 in Central and Southern Asia** among all 10 evaluated regional economies. - **#1 among all Lower-Middle-Income economies** globally. - Recognized as an **"innovation overperformer"** relative to its level of economic development for **14 consecutive years**. - Ranks **#1 in the world** in *ICT services exports* (as a percentage of total trade). - **India's Top S&T Clusters:** Four Indian clusters featured in the global top 100 Science & Technology hubs: 1. **Bengaluru** (56th) 2. **Delhi** (63rd) 3. **Chennai** (82nd) 4. **Mumbai** (84th).

IMF World Economic Outlook (October 2026)

What happened The **International Monetary Fund (IMF)** released its biannual **World Economic Outlook (WEO)** update titled *"Policy Pivot, Rising Threats"*.

Core macroeconomic projections - **India's GDP Growth:** Projected at **7.0%** for FY 2024–25 and **6.5%** for FY 2025–26, driven by resilient domestic consumption and public capex. - **Fastest-Growing Major Economy:** India retains its distinction as the **fastest-growing major economy in the world** (surpassing China's projected 4.8%). - **Global Growth:** Projected steady at **3.2%**.

Practice Zone — UPPCS Format

> **20 questions** for this sheet only — drill after you revise the months above. Formats match UPPCS 2024–25: multi-statement, Match List, NOT-matched, A/R, chronology. Full cross-topic index → Practice Zone hub.

Q1. With reference to indices covered in 2026 Current Affairs, which of the following statements is/are correct?

1. In the World Happiness Report coverage, Finland remained at the top.
2. In Henley Passport Index 2026 coverage, Singapore was at the top and India was around rank 78.

Select the correct answer from the code given below:

A. Only 2 B. Neither 1 nor 2 C. Both 1 and 2 D. Only 1

> **▼ Show answer**
>
> **Logic:** Indices — publisher / top / India band. **Ans: C.** Publisher-style traps matter less here than top country + India band. Soft trap: swapping Singapore with Japan/Germany for passport rank 1.

Q2. With reference to March 2026 indices / reports coverage, which of the following statements is/are correct?

1. World Happiness Report coverage put Finland at rank 1 and India around 116.
2. Global Terrorism Index coverage named the Institute for Economics and Peace (IEP) as publisher and put Pakistan at the top.

Select the correct answer from the code given below:

A. Only 2 B. Neither 1 nor 2 C. Both 1 and 2 D. Only 1

▼ **Show answer**

Logic: Happiness Report + Global Terrorism Index. **Ans: C.** Publisher + top country + India band — classic indices checklist.

Q3. With reference to SOFI 2026, which of the following statements is/are correct?

1. Hunger was estimated at about 645 million people (about 7.8%).
2. Healthy diets were unaffordable for about 2.7 billion people in coverage.
3. SOFI is released by the World Bank alone.

Select the correct answer from the code given below:

A. 1 and 2 only B. 2 and 3 only C. 1 and 3 only D. 1, 2 and 3

▼ **Show answer**

Logic: SOFI 2026 hunger numbers. **Ans: A.** (3) false — SOFI is an FAO / IFAD / UNICEF / WFP / WHO family report, not World Bank alone. Trap: wrong publisher.

Q4. With reference to June 2026 ranking coverage, which of the following statements is/are correct?

1. MIT was at the top of QS coverage.
2. IIT Delhi was around rank 118 in coverage.
3. Future Skills Index coverage put India around rank 13.

Select the correct answer from the code given below:

A. 1 and 2 only B. 2 and 3 only C. 1 and 3 only D. 1, 2 and 3

▼ **Show answer**

Logic: QS rankings + Future Skills Index. **Ans: D.** Indices family — top + India/IIT band. Trap: writing IIT Bombay as the only IIT named.

Q5. With reference to the Henley Passport Index 2026, which of the following statements is/are correct?

1. Singapore was at the top in coverage.
2. India was around rank 78.
3. The index is published by the World Economic Forum.

Select the correct answer from the code given below:

A. 1 and 2 only B. 2 and 3 only C. 1 and 3 only D. 1, 2 and 3

▼ **Show answer**

Logic: Henley Passport — publisher / top / India. **Ans: A.** (3) false — Henley & Partners (IATA data), not WEF. Publisher trap.

Q6. With reference to National Statistics Day 2026 coverage, which of the following statements is/are correct?

1. It is observed on 29 June (P. C. Mahalanobis birth anniversary).
2. Theme in coverage: Unlocking the Potential of Administrative Data.
3. It is observed on 29 July every year.

Select the correct answer from the code given below:

A. 1 and 2 only B. 2 and 3 only C. 1 and 3 only D. 1, 2 and 3

▼ **Show answer**

Logic: National Statistics Day theme. **Ans: A.** (3) wrong date. Trap: colliding with World Population Day (11 July).

Q7. With reference to multidimensional poverty messaging in Budget 2026–27, which of the following statements is/are correct?

1. The Budget speech locked a figure of about 25 crore people coming out of multidimensional poverty over years of programmes.
2. That Budget-speech figure automatically replaces the need to fact publisher/method when a fresh MPI report is released.

Select the correct answer from the code given below:

A. Only 2 B. Neither 1 nor 2 C. Both 1 and 2 D. Only 1

▼ **Show answer**

Logic: Budget multidimensional poverty figure vs MPI publisher care. **Ans: D.** Speech figure ≠ full index methodology fact. Trap: treating every poverty number as NITI MPI.

Q8. Given below are two statements, one is labelled as Assertion (A) and the other as Reason (R).

Assertion (A): Finland remained at rank 1 in the World Happiness Report 2026 coverage.

Reason (R): India was placed around rank 116 in the same report coverage.

Select the correct answer from the code given below:

A. Both (A) and (R) are true, but (R) is not the correct explanation of (A) B. (A) is false, but (R) is true C. (A) is true, but (R) is false D. Both (A) and (R) are true and (R) is the correct explanation of (A)

▼ **Show answer**

A/R logic: A = Finland #1 Happiness; R = India ~116 — both true; R does not explain Finland's rank. **Ans: A.** Two separate rank facts. Trap: picking D because both are from one report.

Q9. With reference to Global Terrorism Index 2026, which of the following statements is/are correct?

1. Publisher: Institute for Economics and Peace (IEP).
2. Pakistan was reported at the top in this cycle.
3. Publisher: World Bank.

Select the correct answer from the code given below:

A. 1 and 2 only B. 2 and 3 only C. 1 and 3 only D. 1, 2 and 3

▼ **Show answer**

Logic: GTI publisher IEP. **Ans: A.** Wrong publisher.

Q10. With reference to QS World Future Skills Index coverage, which of the following statements is/are correct?

1. Top country: USA.
2. India around rank 13.
3. India around rank 1.

Select the correct answer from the code given below:

A. 1 and 2 only B. 2 and 3 only C. 1 and 3 only D. 1, 2 and 3

▼ **Show answer**

Logic: QS Future Skills USA top. **Ans: A.** (3) false.

Q11. Which of the following statements is/are correct?

1. World Population Day is 11 July.
2. Theme locked youth hopes and aspirations language.
3. It is observed on 29 June.

Select the correct answer from the code given below:

A. 1 and 2 only B. 2 and 3 only C. 1 and 3 only D. 1, 2 and 3

▼ **Show answer**

Logic: World Population Day theme July. **Ans: A.** 29 June = Statistics Day.

Q12. With reference to the 16th Finance Commission, which of the following statements is/are correct?

1. Report accepted for use from 2026–27 to 2030–31.
2. Chairperson: Arvind Panagariya.
3. Chairperson: N. K. Singh.

Select the correct answer from the code given below:

A. 1 and 2 only B. 2 and 3 only C. 1 and 3 only D. 1, 2 and 3

▼ **Show answer**

Logic: 16th FC period. **Ans: A.** Wrong chair.

Q13. Which of the following statements is/are correct?

1. Finland #1 messaging included a ninth-year streak in report notes.
2. India around rank 116.

Select the correct answer from the code given below:

A. Only 2 B. Neither 1 nor 2 C. Both 1 and 2 D. Only 1

▼ **Show answer**

Logic: Happiness Finland ninth year messaging. **Ans: C.** Both true.

Q14. With reference to Henley Passport Index 2026, which of the following statements is/are correct?

1. Singapore top with about 192 visa-free destinations in coverage.
2. India around 56 visa-free destinations in coverage.
3. India ranked 1 globally.

Select the correct answer from the code given below:

A. 1 and 2 only B. 2 and 3 only C. 1 and 3 only D. 1, 2 and 3

▼ **Show answer**

Logic: Henley visa-free soft numbers. **Ans: A.** (3) false.

Q15. With reference to SOFI 2026, which of the following statements is/are correct?

1. It is released by five UN agencies including FAO.
2. Hunger about 645 million (7.8%).
3. It is a RBI monetary policy report.

Select the correct answer from the code given below:

A. 1 and 2 only B. 2 and 3 only C. 1 and 3 only D. 1, 2 and 3

▼ **Show answer**

Logic: SOFI five UN agencies. **Ans: A.** (3) wrong.

Q16. Which of the following statements is/are correct?

1. Census 2027 Phase 1 mascots locked as Pragati and Vikas.
2. Outlay about ₹11,718 crore.

Select the correct answer from the code given below:

A. Only 2 B. Neither 1 nor 2 C. Both 1 and 2 D. Only 1

▼ **Show answer**

Logic: Census mascots Pragati Vikas. **Ans: C.** Both true — data mega-event.

Q17. Which of the following statements is/are correct?

1. February compilations said UP topped a Deregulation 1.0 national ranking.
2. Exact publisher should be locked from an official note before Match List.

Select the correct answer from the code given below:

A. Only 2 B. Neither 1 nor 2 C. Both 1 and 2 D. Only 1

▼ **Show answer**

Logic: UP Deregulation ranking soft. **Ans: C.** Both true.

Q18. With reference to QS World University Rankings coverage, which of the following statements is/are correct?

1. About 52 Indian institutions featured.
2. MIT at the top.
3. IIT Delhi around rank 10 globally.

Select the correct answer from the code given below:

A. 1 and 2 only B. 2 and 3 only C. 1 and 3 only D. 1, 2 and 3

▼ **Show answer**

Logic: QS 52 Indian institutions soft. **Ans: A.** ~118 not 10.

Q19. Which of the following statements is/are correct for SOFI findings?

1. Nutrient-dense foods drive most of the cost of a healthy diet in coverage.
2. Healthy diets unaffordable for about 2.7 billion people.

Select the correct answer from the code given below:

A. Only 2 B. Neither 1 nor 2 C. Both 1 and 2 D. Only 1

▼ **Show answer**

Logic: Nutrient-dense foods drive healthy diet cost SOFI. **Ans: C.** Both true.

Q20. With reference to Sampoornata Abhiyan 2.0 in the indices sheet, which of the following statements is/are correct?

1. It is a NITI drive, not a new global ranking product.
2. questions may still mix it with ranking language.

Select the correct answer from the code given below:

A. Only 2 B. Neither 1 nor 2 C. Both 1 and 2 D. Only 1

▼ **Show answer**

Logic: Sampoornata not a global index. **Ans: C.** Both true.
